

"Watchman,
what of the night?"

"The hour has come, the hour is striking, and striking at you,
the hour and the end!"

Eze. 7:6 (Moffatt)

Tell Tale

Signs of the
OMEGA

Egw literally warned Laodicea and by extension America that the **Omega of Deadly Heresies** would be "[received](#)" and yeh she [trembled](#) and said the Omega will be of a most STARTLING nature [here](#)

The Omega is most deadly -

Men have lost track of Christ and the Lord God, and have been obtaining an **experience that is Omega to one Of the most subtle delusions that will ever captivate the minds of men.**" [here](#)

With that in mind

What are some of the telltale signs anyway?

There are many yet consider the following carefully

- Emanation doctrine = 1980 FB #4
- Centralization = 1903

The Centralization efforts of a few men

In the GC taking the reins of power into

Their hands by rejection of the reformatory

Vision at Battle Creek in respect to the 1901 GC session

What resulted in a counter move as a defence against

The Omega, resulted in the establishment of

A permanent chairman

leading to the reestablishment of the GC presidency

which Later culminated in the New movement, yes the

social adhesive program

which is currently in vogue in

Laodicea and seeks

building many social-and theological bridges

Between individuals and religious systems such as

The signing of the Lima text in Peru

which was Hosted by An exterior arm of the

WCC known as

BEM = Baptism, Eucharist, Ministry

And the particular identity marker of BEM adopted

at the time Were the 3 wavy lines of BEM's
common witness

Program [here](#)

which technically speaking, put an end to

The 3 Angels messages of Laodicea

See why [here](#)

The power of spiritualism

knows no bounds

and fulfilled EGW's famous 1886 quote

We are in danger of becoming a sister (church) to fallen Babylon, [Here](#)

And you, yes you

should reread the why Egw said of

being corrupted by fowls spirits

being allowed to enter

and today, that warning remains inviolate those asleep,

the pew sitters are mesmerised by the

ministerial team to the virtues of lerve,

unity in the O of Deadly Heresies

which they call proving you are walking with Gd

and all along is called righteousness despite

[2 Cor 11:14-15](#) ever needing mention
in the Bible.

Right?

which was witnessed in the
Court case of two women
who sued the Conference Under Neal C Wilson,

And since in court, under oath
it was revealed by the GC President that the church
had relegated its Anti Catholic viewpoint
to the trash heap of history

EEOC vs PPPA and GC, Civil Case #74-2025 CBR (1975). [Here](#)

The present social adhesion concept is a concept
That interrelates to mystical experiences such
That emerged in Laodicea
As the Holy flesh movement

which although not of God
according to EGW

was in fact what mystics
And scientists as well as academia would label
The introversive or external type

where the Individual experiences a **black void** type
of consciousness which appears and feels and seems
to be timeless. **Therefore "divine"** .
Includes NDE experiences that are very real!

Right?

Then there is the external type, in which the
Individual perceives themselves to be glued

To nature in the form of rocks birds and trees.
Whereas the **Holy flesh** movement (1898-1901) [here](#)
lacked those Two particular manifestations
of so- Called
Enlightenment into
so-called "Christ consciousness"

But regardless the Holy Flesh movement did what ? It actually dovetailed the
Alpha of Deadly Heresies
with the Book Living Temple
by Kellogg.

Fact is - It is no different
since the name says it all.
Holy Flesh.

Holy Flesh asceticism in the form of suffering and
Pain and then the final transformation of the
Individual is referred to as Holy Flesh.

This is nothing more or less different than the
So-called enlightenment of Buddha
or the Experiences of the
whirling dervishes of Persia

Or the experience of so-called holy men of India.

Whereas the social adhesion component now
Seen within Laodicea

marks the timeframe of the early stages

leading to the maturing aspects of
What Is referred in the **occult**
as the **Law of one,**

That Humans, as so called "sparks"
that descend from a so-called
higher consciousness
are part of the law
Of " One " L1

and that would supposedly include
The singular aspect of the
individual = (Singularity) of individual unity

as well as Nature
and society in general
as a pantheistic
Union.

In the upcoming Luciferian era of Revelation
13, this is the reason as to why they of the L1
will worship
The Beast and the Dragon Satan

who will materialize
himself on earth

and will be viewed as an "Avatar"
Or "Teacher from the heavens
Or from the inner earth
Of the Black sun

who at some stage in the near future
Emerge from the bottomless pit
and refer to
Themselves as the Arianni.

Yes!

The Arians of The Arian heresy.

What is very strange at the time of the 1888 GC session at Minneapolis was
that Egw never rebuked Waggoner and Jones in particular to their emanation
theories of Christ = L1
And they published much about that Christ
Was born in eternal times –

This is Arian as your pan handle on your cooking stove

If you haven't realised yet
the level of spiritualism involved
The great red dragon of Rev 12 is behind
It all as seen in the teaching
of the **eternal son**
Doctrine

which is basically the main tenant which
Defines the Omega of deadly
heresies anyway

that at some point in time according to the L1
Christ was birthed in the heavens
As the Eternal son

This is a very deadly doctrine which is completely
At odds with John 1:1

Why?

Since John 1:1 clearly
Exposes the eternal son heresy by revealing that
The "Word" was present
in beginning

**and was
Alongside God,
and was God.**

Pre-requisites of Melchizedek

Then there are
The prerequisites of Melchizedek
who had no Father or mother or beginning of days,
nor end of Life but made like unto the Son of God
by way of Romans 1:3 and Romans 1:4.

**If you truly value your crown of life
Stop now and LISTEN**

[Here](#)

No Room

Based on the pre-requisites
There is no Room for the 'emanation'
concept of the "Word" in
The Bible

Why?

Because for Psalm 2:7 which is viewed by many
As Christ being birthed or
begotten in the heavens
is what?

Is false

Why?

since Acts 13:30-33 proves that Psalm 2:7
Was fulfilled by Romans 1:4.

When Jesus Christ
Retook his **former glory** of Melchizedek

It was that His human form was
glorified at the resurrection

but because

In his pre-incarnation status
He was the "I AM" in
The form of
the "Word " of John 1:1

as well the fact He was the eternal Melchizedek.

The priest of God

Right?

11Q13

See document 11q 13 of the Dead Sea scrolls
Where it is stated that Melchizedek
is Deity. [Here](#)

So, whom shall ye serve this day ?

The true
Elohim Of the First Angel's message

or the god of **the Eternal son doctrine**
the O of Deadly Heresies?
FB 2,4?

Well? What about it?

**Who dares to make comment contrarywise
in the comments section?
Then go for it.**

Startling, trembled, received.

Egw said the Omega would be startling,
received and trembled.

Why the Omega would be received ?

The fact is telltale signs exist
If that doesn't grab your
attention **today**
Nothing will.

Therefore answer this?

**Why was the name Omega given to this acceptance?
When the L1 is an imposition on the Alpha.**

**Why does Laodicea remain ignorant
Why there is an unknown imposition on
The Alpha from the Gnostic perspective?**

For the very point
Satan believed he could be like the
Most High as an emanation

and this is Satan telling the world that
YAH Prohibited this knowledge Of Ascension
to the "sides of the north" = Northern Universe
previously discussed.

The Ascension doctrine
and higher consciousness
is brought to the forefront
At the 1290 the time HWM
called the Abom of Desolation

and all along you are being toyed and tuned by the L1
to what is the fundamental
Basis of UC.

Satan, via the AC = First B of Rev 13
will tell the masses
Why believe in the worship of Yah?

He will state that Yah is an emanating
Demiurge that created the material
World

and this involves the emergent
Sonship of Jesus being
begotten in
The heavens
prior to the Incarnation

And is better known as the GTES
God the Eternal Son FB#4

This is the Gnostic
perspective found woven profoundly as well as the
K book perspective.

For the Answer is that the Ketur being the crown

is an emanation from the
Ein Soff = nothingness
= Void

And mimics and learns from it.

That is PHILO's impact in the second century.
The result is the personification of
Wisdom in proverbs

as the main text
For the advocates of the
Alpha and Omega heresy.

The arcane spiritualism understanding is
an insult to Eternal 1 and 2
since there is the denial of the
anthropomorphic Elohim.

Yep, the UPS of Matt 12:31
