

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Q

Q drops
for the
discerning patriot.

For the last decade, two important
Q dictums co-exist.

"What storm Mr President?

"You'll will find out." [Here](#)

**"Nothing can stop what is
coming. Nothing"** [here](#)

Decisive are the objectives of **Q** and **Q+**.

Justice for crimes against humanity, esp. children,
treason at all levels, and stolen elections.

Midst the **Q objectives** are significant geographical outcomes existing particularly with western hemisphere, (Americas and Greenland, the south Americas and golden shield).

Revitalising clapped out manufacturing, restructuring global trade, finance, commerce, advanced tech. **Q** exists for that and mostly imperceptive, yet Q is very active at military level with coalitions to bring down the deep state. The discerning patriot is familiar.

The trigger for **Q** was the assassination at Dealy Plaza in 1963. Long wait for justice requires an exquisitely planned, military operation. Its Genius level, and beyond.

5th / 6th generation asymmetrical warfare. **Yes.**

Autists, keyboard warriors in the public domain '**rigged for red**' decoding Q drops and comms sensitive operations. Plausible of deniability. **Yes.** Claimed to be of God. **Yes!**

End state?

Sealed indictments Grand Juries. Justice **Yes.**

Disclosure of the crimes against humanity, abhorrent treason, military commissioned for justice quickly. **Yes**

Psyops, **Yes**

Q reliance on God **Yes**

Patriots united For Gd, Country the Republic

Yes indeed.

To Prosper again as a Nation a republic
raised by Gd. **Yes**.

Franklin touted **you have
a republic, if you can keep it"**

Stolen Republic? **Yes**.

Hence **Q**.

When it comes to spiritual war
Paul penned the ultimate war metaphor
concerning evil

Put on the whole armour of God, that ye may be able to stand against
the wiles of the devil.

6:12 **For we wrestle not against flesh and blood**, but against
principalities, against powers, against the rulers of the darkness of this
world, against spiritual wickedness in high [places].

6:13 Wherefore take unto you the whole armour of God, that ye may be
able to withstand in the evil day, and having done all, to stand.

A genuine spiritual patriot, must be a Scriptures savant,
familiar about the taproot
of the mystery of iniquity.

Is Q familiar with evil? **Yes**.

Relying on God and prayer. **Yes**

Since Paul describes

8:38 For I am persuaded,
that neither death, nor life, nor angels,

nor principalities, nor powers,

nor things present,
nor things to come,
8:39

Nor height, **nor** depth, **nor** any other creature, shall be able to separate
us from the love of God, which is in Christ Jesus our Lord.

Q conveys the same **principalities and powers**

Yes! [here](#)

Q leadership

= **Q** and **Q+** [here](#)

Q+ Promise of the Golden Age

retaking the Republic. **Yes**

Golden Age is mentioned often by "45-46-47"
inevitably 48. = "The last president."

Juan (Jn Jn) has conveyed after the mid-terms, pause

expect a Cat 7 storm in 2027.

Then there is the battle of catching
a dangerous animal. [Here](#)

From all accounts the storm will be a rough ride, civil disturbance, the spectre
of Hyperinflation, supply chain anomalies because of the considerable fraud.

The process after capturing a dangerous animal
The old guard
will be military tribunals. [Here](#)

This dangerous animal
Will fight like a dangerous animal, yet
their symbols will be their downfall. Patriots know this.

The **Q** operation
brings an entire change to the entire planet.

Juan returning from a sea journey to the South Pole. Same place the Arc
Gabriel was sent after a major mishap at Mecca and taken by the orthodox
Russians 2015 [here](#)

And yeh, It was "**Sept 11**" of that year.

Ring a bell?
Juan's view at the stern of the ship propellor wake passing in the distance.
Not much was really said, but the tenor of words was that the visit meant
there had to be received counsel.

WWG1WGA

The catchcry of unity and the Q plan
infers greater spiritual level of Unity
to save the republic.
All fine.

But in the realm of **principalities and powers** there is Unity **Consciousness**,
Christ Consciousness, and of course
Ascension Doctrine

**is all of
the Law of ONE - L1.**

This Ascension doctrine places a patriot in extremely dangerous spiritual
territory. Yet advanced by **Q**

Who is down at the cold continent at that level of operations?
The Arianni? Well Adm Byrd and his fleet was sent
Packing, in the late 40s.

Regardless what you think or even believe
Change is imminent.

Seducing spirits and doctrines of devils
The problem for the average patriot
is whether **Q** is genuinely of God.

Seems so, so far.

Right?

But is it?

Q sets out a mile of evidence for patriots to examine the crumbs on the **Q** boards all aligned and are companion to the spiritual scenarios.

But then there is the Biblical narrative skill of Juan from a strong Protestant viewpoint and really has no peer.

Again, very good

At this point, - Sept 2026 –

The operation of **Q** to clean up the globallistas, fraud, theft the crimes against humanity still seeks prayer and Gd.

Good stuff.

The dictum of
we go all the one way, we all do
is to a unity

A reference of excellence hitherto
unknown globally.

But if you look at it - military planning
doesn't exceed anything to be considered
in the events of the Apocalypse nor references the Apocalypse
by a long stretch and it will be said
that's not the goal
(blah blah).

But there is something missing after the event of saving the small nation for last.

Q is definitely at a superior level.

Fighting principalities and powers realm.

The satanists and Luciferians, clearing tunnels, human cloning labs biological labs adrenochrome labs and saving children

Arrests and indictments for heinous crimes are tabled to the grand juries, decisions swift and firm justice for crimes against humanity, stolen elections, you name it. Assets seized under Executive Orders. Return to the Republic

But what of it?

Patriot ask yourself

Why has Q applied and (depended upon) the Law of ONE?

Answer

ABSOLUTELY EVERYTHING

What does that mean for Patriot in respect to the Everlasting Gospel ?

Q is nowhere then to be found on that subject,

**Leaving patriots with a restored republic
Peace in the small nation they
are saving for last**

**But what Did Christ say about the small nation
Matt 23:38 and the times of the nation's closing
and then what?**

Saving the small nation “for last”

It is obvious the 4/5-star generals know a lot of the Bible

otherwise why the Scripture references
in the Q drops?

And the famous line
“saving” a certain nation **“for last”** [here](#)

Coupled with
“not mentioned a single time”

Patriots are well ahead of what's happening because
of the **Q** operation

As for the small nation
Christ already told you patriots in Luke 21
As to what events follow
saving the small nation for last

But nothing from **Q**.
Patriots you have your Bible .

In Luke, HWM specifically stated the fig tree blooming ,
then high summer and those alive today who witnessed Jerusalem no longer
trodden down by the gentiles –
that's us today – will see the return of the Son of Man.

Luke 21:29-31 confirms

Because saving the small nation "for last" brings from a prophetic time perspective a lot of issues

And keep in mind Jn Jn often refers to the Balfour Declaration and those implications are a doozy

compressed into reality by way of Dan 11:40-45 into a very small-time frame fully complicated by the **L1**

But here is the thing Patriot
what you have confirmed is what HWM confirmed
by no other higher power
that is fully vested in the war
and removal of the principalities and powers .
of the spiritual war
that brings in the occult,
portals
and magans

Patriot what if
Q is playing with **strange fire** with L1
This will be proven.

Remember **Nadab and Abihu** ?

A patriots interest should right now be piqued to
The utmost concern

because HWM mentioned already gave you

this level of what arises post Q operations
in Luke 21.

But what is the Bible saying?

The **Law of One** brings in the **7 N**

Isaiah 2:3 and Rev 13 .

The problem "saving" the small nation "for last"

Yeh it is the ELEPHANT sitting on the circus seat
God warned the L1 remains constant because the same fig tree has the
ultimate iteration of the Serpent
but also Elijah crisis **Juan** also has explained
the challenge with the prophets of the grove.

But has **Q** got that fully correct by not recognising the
L1 being the **strange fire** midst the
Q community?

Is strange fire related to **Q**?

Yes and the receipts will shock.

How? because Juan speaks often about the Balfour Declaration and
Implications mean everything
in respect of saving the small nation for last
Invoke the Grand Monarch
of catholic prophecies

But also because the L1 is already law in America
Voted at the 102nd congress
by both houses.

And so, who is to say that
forms no part of Q?

Right?

It is impossible for **Q** to change

Global change is imminent and a storm
it's going to be wild ride
everyone in uncharted waters

Yet Gd has warned with the First Angel warning
Things occurring now is preparatory to the
Move of human consciousness
Global consciousness
Cannot be stopped

Unity with the L1
Is the same unity of the Apocalypse
the Luciferian era and
the 8th king.

Regardless what **Q** says or doesn't say

Why would patriot be led into the spiritual
coalitions and into eternal oblivion
worshiping the image to the B
with **the L1** and

UC and the Universe?

The Guardians of Spaceforce
are fully L1

Patriot are you surprised of even the possibility Scripture confirms? Well?

And Patriot should be surprised.

Q published via the Guardian from SPaceFOrce recently.
You can see that shortly with your own eyes
A humungous problem with spiritualism exists
Yes, at the principalities and powers level.

Yes, very strange fire.

Achieving what?

WWG1WGA – right?

Unity and yet the same spiritual realm of unclean frogs
And the L1

The inevitable conclusion is that
the First angels warning which
is the UPS of Matt 12:31

L1 dispute is the L2

The UC of **Q** exists and is [changing human consciousness](#)

All despite

Despite the fact Christ being Eternal FATHER #2
Of the Law of Two
Of John 1:1.

Right?

So patriot, better gird your loins
since Heaven prepares one
to see the faintest mistakes the
Q plan has never fully scrutinised
HWM in Matt 24 confirms Q is not with Heaven
In the Apocalypse

Because He said the deception would deceive
if possible the very elect.

And that's saying something!

Led up a path of deception of unity in 'righteousness'
by the enormous success of Q
but the patriot

to be caught out by the popularity and the spiritual
Unity, in Righteousness
once the first arrest arrives and

exposure of crimes
and treason are meted with full
Military justice

Well and good, but what's at stake?

Your crown stolen

in the process?

And as the reveal unfolds
You all are dealing with
the huge error
with **the L1**

and its complications against the First Angel of Rev 14
The occult have well known
the **L1** brings the breaching of the portals into other dimensions by the
mystery of iniquity
and believed to be 'righteousness'. Of Gd.

Very close to truth!

And what then?

Patriots of Gd
deceived by the unplanned
provisions of **Q** ?

Q says remain in prayer, Fine!

But are you witnessing an entire manifestation of
white majik so as to raise many 'false christ's of
Matt 24 only to be set into a L1 unity in the process?

Global deception at the principalities and powers level
In unity of the L1

But not L2

And why?

because of the Omega of Deadly Heresies has many, many iterations of deception

They bring it
upon themselves

Egw was right "**national ruin**" arises when Protestantism
clasps hands with Spiritualism
she said
the Omega would be received in Laodicea. She trembled.

But pastors say
Look Oh the rich fields of harvest

Even the Laodicean padres are fully beguiled by the L1
And the doctrine of Gd
And brings Severe Complications
Due to the **Q** and global reset

Spiritual war by the Dept of war in "righteousness"
which brings us all they say
to the much-needed
golden age

Yes and why not.
About time

Yeh, real and true only to be adjoining the L1
in the process and then comes the small state
saved for Last – that even HWM had

a lot to say

all the while
white majik is extremely powerful
due to the all-round
ignorance of patriot about the L1.

But is the ignorance and a deception all
in the manner of changing global
consciousness ?

Entirely ruled by L1.

Yes

Then the 7 n.

Yes

Then the Abom of Desolation spoken by Daniel the prophet.

Yes

The significant complications exists with the time of trouble such as never was
and
the L1.

Not sealed,
only to be tormented
At the five months of the 5th trumpet. **Rev 9**

Patriot found wanting
Without the two Fathers name
Indicative of the L2

never sealed in the forehead by L1

but patriot left with guile on their lips
because
of the L1 and not the Law of 2

Q narrative builds out future phases
But not much if anything
By way of the Board of Peace

Ever considered the B of Peace are those who decide
who are to be the ten kings of Rev 17?

If not, You still have to deal with what
Gd said does occur by the ten kings
Of Rev 17 in **one hour and the destruction**
Of the Scarlet B

Yeh the same 10 of Zech 8:23

The destruction of the 'great city' of PPH
due to their crimes against humanity.
(children)

It's the Matt 18:6 principle

HWM said that it be better for those involved crimes against children that it
would be better they to have a millstone
around necks drowned in the sea
than to hurt the little ones.

Oh boy, when that is revealed
there is literally very little, to no time available
before the Apocalypse. But Patriot heaven has your back
to hear the Loud Cry of the 'mighty angel' of Rev 18.
But what is not mentioned a single time
by **Q** is what the
peace thru development brings
the restoration of the destroyed
areas of the small state saved for last
And the rebuild of Pally land

And how could anyone say the Abe Accords are
Not designated to the same peace agreement

**to also build up
the 3T?**

Right?

The 10 kings, then the global authorisation of
the 'oppressive law' of the 8th king
in Isaiah 2 devised fully with L1
Is to bring peace.

Really?

Yep

What about what Q doesn't tell you which is
Daniel 8:23-25 and the L1

Q guys have to know that's the end game
or we are just dunces,

to not understand what Scripture
means in its pure state
of Eternal Righteousness in its
conformation with the Everlasting Gospel.

Yes, Rev 14 and the 3 angels warning again.
Q drops deliver much from the Biblical genre
and that is a fine thing
but what makes sense

that the complete rebuild and restoration
of the republic is moving forward

the SWEET LAND
to speak as a Dragon
as being the Second B
Rev 13

Q is extremely sophisticated
it will change the
entire world

Why?

nothing can stop what is coming.
Nothing.

But HWM warned it
would the L1
will be a **snare**.

Q knows 102 Congress passed the L1
In 92 , shortly after Luke 21:24
was fulfilled.

Its no small thing the Presidents image was cast
on the flip side of the minted temple shekel
in 2017 and **CYRUS** who led the
rebuilding of the temple and who doesn't
remember the noise of declaring the embassy
moved to Jerusalem.

Q said they're "**saving**" who again
"**for last**"?

Q operation in its full finest military capacity
can set and does set the 'peace' foundations
that gets what done?

the third temple built
and there remains **Q+** comparison
to Cyrus

Let that sink in

Q, but more so the L1
in its many phases is already changing
that mindset.

The 80/20 rule is long achieved

Yet Gd said

Nothing else dominates the very end just
Prior to the 10 kings and the One hour with the B.

**NOTHING CAN STOP WHAT IS COMING.
NOTHING**

And WHATS COMING.

we go one, all one together,
everywhere one.

Guided by what exactly?

Spirits of devils and seducing spirits
All in one energised for their part
With the same L1

Which is what?
That there is **One Gd!**

In defiance of the Law of Two (JOHN 1:1)

The small nation has already claimed
the theological high ground
by way of the Shema of Deut 6:4

And the L1 can only achieve this
by the misuse of ECHAD one
which is the L2 anyway.

There lies the entire problem

But then, the L1

Gets a bit of an overall boost by **Q**

Yet is OWNED by the unseen and the untiring spiritual world of the mystery of iniquity

Cat is out of the Bag

And the cat was let out of the bag
At the recent **Q** related
discussion panel

Confirms unequivocally **Q**
and the **Q drops** are all in synch
with the L1.

Wait till you see what's spiritually cooking.

The panel puts Q and Q+ squarely
as the head of delivery
System of "L1 spiritual
war chariot"

And emergence
of the 10. Kings

So what are the receipts?

The reader of the memo from space force who no doubted is a confidant of Juan reads a published message is from

“Guardian Daniel R”

Due to the language of **Guardian Daniel R** it's easy to see the association of L1 in full spectrum ais not what everything seems to be and confirms the visit by Juan to cold southern continent [here](#) for counsel.

And by the way

Regarding **The Storm Summit** last week [here](#)

Excellent information all and unravelling deceptions of high crimes.

Patriot,

how do you rationalise the **L1** by the Panel and **Guardian Daniel R** who is part of **Q** operations?

Q and the Golden Age of Higher Consciousness

What ?

Q says this?

Right here in this report at [1.39.00](#)

Q drops are now comported to **L1**

the message if you bother to check
is from a **spiritual GUIDE**

speaks for **Q, and Q+**
and space force operations

Ascension – The War for the DNA and the Golden Age

Within the framework of the Great Awakening, the blueprint of the cosmic and military liberation struggle advances toward its most profound chapter. The final transmission of the Q drops no longer touches upon purely political or financial matters, but instead addresses the innermost essence of existence.

With the prophetic question, *"What is encrypted in your DNA, and who encrypted it there?"* combined with the urgent warning regarding a "war for our DNA," a bridge is forged from earthly strategy into spiritual evolution. The very last word—**Ascension**—seals the ultimate objective of the entire blueprint: the liberation of humanity is not a mere systemic shift, but the ascension into a higher consciousness within the dawning golden age.

In this context, DNA is understood as far more than a biological code sequence for protein biosynthesis. It is viewed as a highly complex, multidimensional quantum receiver—a cosmic archive in which the true, divine potential, limitless creative power, and the original blueprint of humanity are safely encrypted. The war waged by the Deep State cartel—masked through artificially engineered health crises and forced medical interventions—was a targeted attempt to corrupt this sacred encryption. Its purpose was to block the frequencies of the DNA to trap humanity permanently in fear, sickness, and an artificially suppressed state of consciousness.

THE BIOPHYSICAL QUANTUM LEAP

Frequency Medicine, the Methuselah Code, and the Integration of "MedBed" Infrastructure

Read it again – let it sink in the significance
How this compromises Heaven and HWM.

Ascension language = L1.

Higher Consciousness = L1

Golden Age = L1

Divine potential = L1

Methuselah code promise longevity = L1

For those who dare watch the full report, [here](#)
the 'panel' give their expert advice for patriots
and overall it's very good

But **Guardian Daniel R** has
let the cat out of the bag
explaining openly Patriot
the **L1**

Patriot

Will You see the weakness of **Q**
with **L1**

ultimately in Gds eyes at this stage this **Q** endeavour
is in really bad shape at the time
of the Apocalypse.

The panel provide their expertise, yeh
it's all very good

But there is a terrible blind spot overhanging
the panel and the moderator [JMC](#)

because what Patriot

Gd said

**my people are destroyed for lack of knowledge: because thou hast
rejected knowledge, I will also reject thee, that thou shalt be no priest to
me: seeing thou hast forgotten the law of thy God, I will also forget thy
children.**

Q cannot make up that lack of knowledge
difference via the application of unity and L1

IMPOSSIBLE

Particular notice from the Panel must be given to the retired
LTC of the Australian Special Forces

Erudite, well-read

When it comes to the Doctrine of God ,

your garbled nonsense of the
doctrine of Gd is shown thru

Lieutenant Colonel,

STAND DOWN!

Lest thou suffer a severe reprimand,
cut down by Heaven
by the guys of
Ezekiel 9

Read
2 Kings 19 where
185,000 military were cut down

Fill your boots Mate with a previsioned
Australian Constitution, its high time
and relevant.
No problem.

Keep in mind
if you truly have a 'smidge of Godly' fear

your ideas of the Doctrine of Gd

You are handling is **strange fire**

Strong illiteracy of the L1 putting your expertise as completely out of your depth in respect to asymmetrical spiritual warfare

STAND DOWN

JMC your work TO RESTORE the republic is commendable

Be warned also
remove your shoes
when it comes to the Doctrine of God
Presently your garments are stained and
Thou art not standing secure, on holy ground

Both Elohim of the L2 = John 1:1
is holy and
Divine holiness of the L2

It is Eternal Righteousness
that has no common ground
with the mystery of iniquity
that is indebted to The L1

JMC you are beguiled by the L1
spiritual **Guardian Daniel R**
(yes, it is your paid scripting)

But if you knew the Scriptures and your commendation

Of L1 Guardian
only bodes ill-will to all men
and women in the entire patriot community.

Don't say it's a movie. Don't say Central Casting.

Fact is - Eventually you and the LTC
will get to hear this message
so don't dismiss this
by ignorance

Q influencers like Jaco in your respective communities
will realise eventually
why they are all
spiritually inept
concerning the L1.

.

--O--

What is over the horizon?

Q for all of its great work and eventual success
Nothing can stop what is coming, nothing

Has been shanghaied By way of UC unity call
we go one,
we do it all together

But, Patriot
but what's over the horizon?

You have your Bibles

does a Patriot
Remove the armour of Gd
And hold to the promise of reindustrialisation
to peace? Or as Juan said
America being our brother's, brother.

Spiritual danger is immense

the L1 in its ultimate manifestation is
the spiritual drama of dramas

seen in Rev 13 and concluded in Rev 16
which is to unfold

Heaven, in the meantime
is saying to the good patriot

there is an obvious and eventual weakness
of trusting the plan
that is one thing,

but at Heavens level,

Q turns out ultimately
a failure.

Isaiah 2 concludes

Cease ye from man whose breath is in his nostrils

Heaven alone is infallible
Juan knows that.

The L1 is the core of
the Omega of Deadly Heresies
And attacks
Christ of his ALPHA & OMEGA identity

From L1 perspective
Q is being replenishment
spiritually by the
mystery of iniquity

like soothsayers
in **Guardian Daniel R**
from the **cold continent** [here](#)

Q knows that.

Q will achieve its end state
and save the small nation
for last

But what then?

Q will **never** have much of any relevance after
saving the small nation FOR LAST

That's the **Q** epilogue
Draw the conclusion, nothing later
Other than the 1290 days of the Apocalypse

The joy the hard battle with the Globallisters
is taken from **Q**

Patriot, you are then, on your Pat Malone

So Patriot what about after
Saving the small nation for last?

This is an important warning Patriot,
Patriot what decision
will you do now?

Remain deceived to the
Omega of Deadly Heresies
and L1

that obliterates the
meaning of Christ and His Eternal Righteousness

or

AWAKE UNTO RIGHTEOUSNESS,
The Eternal Righteousness of Christ

His Eternal Righteousness
His eternal Divinity

and the **Law of TWO**
John 1:1.

Why bother ?

Patriot, for the simple reason

Q is **not** "read in" to the Everlasting Gospel
in the context of the Apocalypse

let alone the Eternal Righteousness of HWM
of **John 1:1** and
the **Law of Two**.

If read in from Heavens perspective

Q would confirm the proof of concept

With the **LAW OF TWO**

Gematria

Let's talk some gematria

Juan strongly envisages the storm will form
a (Cat 7) into 2027

Q says they don't believe in the "numbers"

That's what the globallisters do their belief and religion

And that's true

But guess what

the globlusters

they also esteem highly the **L1**

The tricky part Patriot

its time you knew that.

Like now!

By way of gematria Juan explains over the years

Globlusters use gematria

and in

Q efficiency is reversing the
occult spell

But how do you do that fully
By agreeing with the **L1**

With **Guardian Daniel R**
anyway?

Huh?

Ok

Basic year date gematria for 2027

2027 = 11.

11 = (2+2+7)

11 = twin towers (anniversary).

11 = war = (reprise of **1111**)

(**note** what Gd says in Rev 9.)

11 = Two pillars applied by the m guys.

11 = Jachin Boaz = (1 kings 7)

Two pillars (11) invokes Solomonic magic

that intends major changes, in

human consciousness – [here](#)

Reverse the ritual.

Q Destroy evil and black majik
by reinstating 'righteousness'
by white majik ergo L1.

White majik in L1 = **Q** understanding of 'righteousness'

Q retaking the republic in 'righteousness'
is great long overdue

But embracing the "innocence" of unity

Well **Q**
will say

No, it's not against Heaven

And won't be bothered because of L1

WAIT A MINUTE

Guardian Daniel R just contradicted that assumption

Right?

God says " **My people are destroyed** by what ?

Patriot?

Q adepts miss the implications of the L1

The global change in human consciousness
by the L1 and then what's the end state

The war with the remnant of the woman's seed
by the Great Red Dragon

Blinded by the 'innocence' of L1
To not know Universe consciousness
by way of the **Guardian Daniel R** language
is fullest enmity with Gd anyway

ASCENSION = L1.

Ascension = Golden Age

Golden Age = Law of One [here](#)

Golden Age = RA and Law of One [here](#)

Golden Age = [witchcraft](#)

Q in reality, doesn't know this?

Don't wager your last dollar. OK

Reign of Solomon was golden age – [here](#)

Does the **L1** invoke an antitypical
Solomonic golden age
of peace from the typical?

[here](#)

Antitypical (3T) = peace.

peace **L1** version = golden age.

Christ said what in **Jer 8:11**?

The Original typical Solomonic Age was the temple and then Herod's 2T

So how does L1 adjust to
The Antitypical ?

Ascension of L1

Guardian Daniel R and the
rebuild of 3T

Well, the L1 guys all say 3T foreshadows
the reign of Christ –

From the **Matt 24** perspective,
which Christ?

Ascension and then .

Finally Peace in
Pally land

By way of The big Reconstructionist
build = L1 unity

- = Economic prosperity
- = Currency asset backed metals.
- = Legit trading with Digital ledgers

Really good stuff

Peace by way of the Republic's applying Hamiltonian Economic doctrine construction developments, that construction and tariffs reduce eventually, eliminate holding deficits via the Keynesian failures out of the city of Londinium

Now - Draw the conclusion

Construction Doctrine = peace

Construction to effectuate global peace

**must = the construction of 3T
and then the 7N
of Isaiah 2.**

Right?

Heaven says

When the first seal opens - the 4 pony riders go riding

The K guys arrive with Ein Soff L1

But just prior

The last 3 pony riders invoke WW3

A Graphic illustration
if you read the consequential
account in Rev 6.

Isaiah said the K guys are permitted
For their green light and get their
Presence prominent
because the

L1 is completely registered as being kosher
And as they do
Is established in the K book.

Ketur crown, ten mysteries, spiritualism
Ein Soff = void etc

L1 introduced globally (Isaiah 2)
The basis of peace is L1
And who they say is Gd
by 8th king
Read Zech 8:23

who do ten men (10 kings)
acknowledge anyway?

It's a big religious conceptual authorisation
And not made available
by **Q**

As God said,
you should know

the 8th king "**is of the 7**".

Patriot is reminded

Q platform has a
significant end state focus
saving the small state **for last**

Q confirms the **L1**
is **higher consciousness**

by way of **Ascension**
and **spiritual transition**

Danger, Will Robinson Danger!

For those familiar with the 4H of the apocalypse

There is a reasonable conclusion that
the white pony rider, is on the ride, today
carries a bow, no arrow = peace for what ?
the golden age
= 3.5yrs.

Consider the opening ceremony
Paris summer Olympics

STORM SUMMIT

Now time to
Check out the Storm Summit [here](#)

Warning!
don't glaze over
don't crash through it [here](#)

White beard with BIG WHITE HAT = Juan

Pink lady at 59.00 onward

[Rosh Hashanah](#) New year in Hebrew = 2027

Those familiar with the Feast Days, Rosh H
is followed by the **Day of Atonement**

pink lady is rightly emphasising its importance and yet mainline
Protestantism are very slow on the
uptake with Daniel 8:14 and Heb 9
Let alone the DoA from Lev 16

In spiritual terms the DoA
is a very BIG DEAL in
every respect to the Sanctuary Doctrine
of Christ as Great High Priest
and **Law of 2**

The Sanctuary Doctrine [John 4:22](#)
proves Christ is of the Order of Melchizedek
Is validated when HWM said

'salvation is of the Jews'

which is true,

Patriot you now have to pay very close

attention to what the

pink lady says

by way of the mention of breathing in

the **divine "spark"** @ [57.00](#)

That word spark Patriot

is **L1** concept of the Universe

"monad" language.

Albeit, a very minor inclusion, faint no emphasis

And small word inoculations always

disarms - critical thinking

The way the sentence was structured there

is plausible deniability

Yet at the same time

entirely consistent with

Universe doctrine **Ascension**

theology of **Guardian Daniel R**

of the **L1** endorsed

by the **occult** new agers

The Law of One steals another march

insists there is

ONE GD

**Contrary to L2
of John 1:1 (Christ, is also Gd)
Isa 44:6, Psa 110 etc**

L1 theology is mystical,
And it misleads

God has nothing to do with the L1 energetics
of the Universe

L1 invokes its pantheism,
the emanated logos

Contrary to the Two Anthropomorphic Elohim
Prior to the Fn of the world

and words such as **spark** are L1
and you are left with what?

the
OMEGA OF Deadly Heresies.

The UPS.
Of Matt 12:32

Not good.

All you have for the patriotism
is L1 intertwined with UC.

Endorsed by the pink lady
an orthodox Messianic

By the time the **Q** reveal is declassified and
digested into **2028 and beyond**

the world was taken to a
new level of CONSCIOUSNESS

there is then very little time
leaving Patriot, with what?

No thorough considerations to the entrance
and surprise
of the
ten kings and their destruction
of the scarlet woman
in one hour

But then
it's back to **Jn 1:1**.

L1 has Jn 1:1 under
constant attack

Juan says **Q** has all the proof in respect to

What the dangerous animal stole such as
Elections in 110 countries. = 11.

“ We have it all”

2020 It's not over yet!

LOL LOL

Yeh LOL and that so true

Q not once mentions
the Board of Peace.

What about it?

Well ask yourself does the peace deals of the Peace Board align with? The
emergence of the 10/10 kings of Rev 17.

Has to be the UC of the L1

Q is reverse applying the spells
the majik numbers of the globlisters and their rituals
to catch

**The dangerous
animal. [Here](#)**

So who exactly is the Dangerous animal?

All the while - a we go one, altogether we go

the global psyop of [human consciousness, Ascension](#)
is curing, is maturing
in real time

Example. A coalition of 71 countries = 17th number
And is effective by the reverse mirror of 71
ordinal of "[above as, is below](#)

Unity, and the reveal

The first arrest will be a shocker

Churches will be filled again in national repentance

Out from 2027 and beyond
with intensity of unbelievable storms
unprecedented storms, What storm Mr President?

Finance crash exceeding 1929

Cuban Crisis reprised.
Replication Bay of picks standoff
(a nuclear foreboding?)

Juan has indicated this regularly

Then what about mass casualty of
some Impact.

Example [Here](#)

Patriots you are entering the supernatural age

Has Patriot given a moment to consider the
MASS CASUALTIES of the Fifth Trumpet in Rev 9?
Let alone when the four angels are released
from under the Great River Euphrates

Not to mention Hell and Death of the pale horse genre
Juan knows William Cooper 'Behold the Pale Horse'

Juan unmasked?

Many observers speak of a reveal
But what's that do with America
The Sweet Land of the
Second B?

Q knows Unmasking
would invoke
legends of **Arthurian magic men**
by way of **Camelot**

Overwhelming Tears, great sentiment, [here](#)

Tiffany blue, inspired extreme emotional experience,
impossible to be ignored.
Founded in faith in Gd

Brings what?

Well there still remains the
mystique of **Camelot**.

Why Arthurian?

Due to the sacrificial
death ritual of the father
and uncle of Jn.

Its scorched deep into historic fabric and the
restoration of the republic by **Q**

Yes, By George!

Whether there is an actual reveal,
doesn't matter

the fact is the
1963 incident in Dallas
left a huge emotional scar

The Dallas ritual
retains a strong mysterious
Residual supercharging an already charged occult
meaning the conscious was cut ripped raw
and deep into the
consciousness in America

Dallas was a tremendous
lot of juju

A ritual killing
invoked in that city,
near Dealy Plaza

But Patriot

other connections of the supernatural
realm exist to that same ju
and that in fact applies to
the Infamous GC session of
Laodicea in 1980

The 27FBs and the L1 with FBs 2,4
Yes the residual juju lingering
still in 1980.
Well yeh, the

L1 of spiritualism was voted in with
27FBs accepted by the GC

'After the truth has been proclaimed as a witness to all nations, every
conceivable power of evil will be set in operation,'
Those who say that level of
supernatural is happenstance ?

Well Patriot
You need not remain clueless
As most men are when it comes to the supernatural
Of the ritual of
EVIL at the principalities
and powers level

Besides mystery of iniquity
doesn't have to be outrageous ugly.

white majik exists

was exhibited in 1980
The dark ugly
back in 1963.

Q will return America to its original
constitutional purpose of 1776

"Righteousness" will be restored
Thankyou to Q

A Restored republic
Has its time in the sun.
But how long is the question?

Egw did say America would
achieve "**National Ruin**" by
clasping hands with spiritualism

that already occurred in 1992.
At 102nd Congress.

Since "our country shall repudiate every principle of its Constitution as a Protestant
and Republican government,"

Ok.
So, those who remain unmoved and
choose to defend the L1 worship eventually what?

Worship The Beast and its image
take the mark and then eternal torment
Thrown in the Lake of fire

The First angels warning is
the reason why Eternal Righteousness
of Jn 1:1 and LAW OF TWO
exists
why the
LSFBTFOTW Rev 13:8 exists.

Yeh, in that same chapter
the First B hands
all the **L1 power** (7N) of the Dragon

over to the MWFP,
the Second B
who then speaks as a dragon?

Right?

Prior, the 4 pony riders
Is WW3

Then the 3 woes.

Juan often mentioned
Albert Pike = the three World Wars

DANGEROUS ANIMALS

Does Gd see the same **dangerous animal**
as Q does?

In part, it is true

Q doesn't say what happens to the small state
Saved to last after the dangerous animal
is caught subdued anyway.

God verifies much more.
That's the level of difference.

But guess what patriot

in respect of the identity of the small nation
"saved for last"

Gd does describe

two

extremely dangerous animals

Not one

in Rev 13:1-4

And I stood upon the sand of the sea, and **saw a beast** rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

13:2 And **the beast** which I saw was like unto a leopard, and his feet were as [the feet] of a bear, and his mouth as the mouth of a lion: **and the dragon gave him his power**, and his seat, **and great authority**.

13:3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

13:4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who [is] like unto the beast? who is able to make war with him?

First B being the 8th king of Rev. 17
The 2Thes2 guy

This **First Beast** by way of Isaiah 2:3
Will invoke 666, the worship of the image

But for absolute certainty the MoB,
the image
And 666 is validated as LAW –
It's been sitting in the draw since 102nd Congress

And Since that power is passed to
the Second dangerous animal
at the latter end of the chapter what then Patriot?

You can Read that for yourselves.
No wonder **national ruin**
follows

This first extremely dangerous animal is
Lion mouthed,
leopard patched, bear footed

that enforces the **L1** by law
Gd is saying the spectre of the L1
Has been around from ancient times

And resumes full blast for 1260 days
the L1 spiritualism

Q has never accounted these two extremely
dangerous animals.

L1 has absolutely
nothing to do with the
Everlasting Gospel

Q is great pals anyway
with the Second B by way of the L1

which Gd said
is a **very dangerous animal.**

This Second B convened the ultimate in the
L1 and its capital punish powers

And that is the final juncture
The end of the 1290 days of Daniel 12
= Matt 24:15

Extreme danger bar none

The L1 in its final iteration
Courtesy of the 7N from 102nd Congress
is what Patriot?

The time of the **third woe**
and the loss of eternal life.

So, Patriot Christian what are
you going to do now?

Trust the Bible or
choose **L1 and 7 N**
because
we go all together, we do everything
with **Q**

This discussion doesn't disparage **Q**

The phenom of the apocalypse of Rev 13
must be seen from Heavens viewpoint
When the small nation saved "to last"
takes over everything.

So what are you to do now

with Matt 23:38?

Christ said

[There] **house is left unto them DESOLATE.**

Oh and mind you 666,
the MoB and the image is

not the most important aspect of Rev 13.

The **Law of Two** is the central concept of the eternal Divinity of HWM
His Eternal Righteousness and those who respond to the war declaration
of Rev 13:4

L2 has been discussed many times

Noting always the importance of Rev 13:8
this verse is what goodly patriot needs to grasp

when the mother of spiritual problems ($7N = L1$)
is invoked in America the
the Sweet Land of
the Second B

Patriot thou wilt witness the fact
the time of the 1290 ends

then it's the 7 Last Plagues.
In the last +45 days

Time no more.

LAW OF TWO

HWM is Alpha & Omega

Ye must knowest lest L1
Peril putteth thee in literal peril.

Now read the **third angels warning** reward
The WRATH OF GOD without mixture
Of His indignation

Why Patriot?

Despising the Law of Two
When thou remainest
bewitched by the **L1**
