

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

THE ANTHROPOMORPHIC ELOHIM

Anthropomorphic derives from the Greek "ánthrōpos" meaning "human" and morphē or "form. It is applicable in the fullest sense with the Two Divines of John 1:1.

Anthropomorphism is very important in the recognition of the ETERNAL RIGHTEOUSNESS of the **Two Eternal Fathers** and the **Law of Two** and from every spiritual angle imaginable exposes the nonsense of the Law of 1 that has been exploited and dominated in theology and general belief about the GDHD by the mystery of iniquity.

John illustrates this importance of the anthropomorphic in the Apocalypse.

Revelation 4

Father 1

4:8 And the four beasts had each of them six wings about [him]; and [they were] full of eyes within: and they rest not day and night,

saying, Holy, holy, holy,

Lord God Almighty,
which was,
and is,
and is to come.

Revelation 5

HWM

5:5 And one of the elders saith unto me,

Weep not: **behold**, the **Lion of the tribe of Juda**,
the **Root of David**, hath prevailed to open the book, and to loose the seven seals thereof.

5:6 **And I beheld**, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, **stood a Lamb as** it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth.

5:7 And **he came** and took the book out of the right hand **of him** that sat upon the throne.

5:8 And when he had taken the book, the four beasts and four [and] twenty elders **fell down before the Lamb**, having every one of them harps, and golden vials full of odours, which are the prayers of saints.

5:9 And they sung a new song, saying, **Thou art worthy to take the book**, and to open the seals thereof: **for thou wast slain**, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation;

For those who have beheld the research with ER here at 5A recognise why Rev 13:8 is dedicated with the ER of HWM slain prior to the Fn of the world - in the Alpha Identity

Rev 5 presents the Lion Tribe Judah = Root of David.

Many will say what's all the fuss and all this emphasis on ERxF and Rev 13?

Well the fact is you guys are applied to the Reformational emphasis of RxF particularly in Laodicea and cannot begin to estimate what was stated in Daniel 9 that ER was to be ushered in. This immediately validates the ER Doctrine of ERxF.

Yes Rev 5 is true = HWM features as in the **Omega** Scenario

**His Alpha identity was stated in Revelation 4
as 7 lamps of fire**

And out of the throne proceeded lightnings and thunderings and voices: and [there were] **seven lamps of fire** burning before the throne, which are the seven Spirits of God.

The 7 Lamps fire

The 7 lamps of fire is HWM's Alpha scenario and this was to be co-mingled into His Omega identity because

stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth.

Some will say, ok
but why is HWM not described
in the **anthropomorphic**?

There was the veiling of His A&O Identity
And further Phil 2 states HWM the answer

HE was **in the form of Gd** = spirit

Same with **The Lord is that spirit** 2 Cor 3:16-18

3:17 Now the **Lord is that Spirit**: and where the Spirit of the Lord [is], there [is] liberty.

3:18 But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, [even] as by the Spirit of the Lord.

Question

Is HWM and His Alpha and Omega scenarios

potentially up for ridicule?

Answer

No because

The First thing is in Rev 13 there is pictured the Book the LBOL and this has every name from Adam. And not something that appears after the resurrection.

Every effort since Gen 3:15 has been made to destroy HWMs original Identity from before the Fn of the world **as Father #2**, whether it be Plato, Philo and the Church Fathers and yes unfortunately Laodicea is included with FB 2,4.

It doesn't matter whether the anthropomorphic is not pictured in Rev 4, 5 because of the revelation of the Domain of the Divine is in the context of the power of the Elohim of John 1:1 which is ER.

Which brings in Melchizedek (Alpha)
and the Order of Melchizedek (Omega)

and therefore unto judgement of the saints
there exists John 5:24 because of the blood of the lamb,

but that blood of the Eternal Alpha Lamb slain,
LSFBTFOTW = Revelation 13:8
is unto the judgement
of the 2 Beasts and MWFP,
AND those who despise the L2 in the era of the 1290 days of Matt 24:15 which is the Apocalypse and the entire reason why the Three Angels messages were to be proclaimed.

but also, keep in mind there are the **two goats** who are epitomised in the meaning of **John 4:22**
and the Sanctuary Doctrine

which is to say Azazel = Satan who is the final sin bearer
who was involved in the slaying of the Lamb
SLAIN prior to the Fn of the world

and again the emphasis is not so much on the anthropomorphic whereas
when it matters with the Incarnation and the entrance of **the man child** of
Revelation 12
the uniquely begotten Gd

it is very important why to be described of HWMs
Alpha state and identity, and why He was Melchizedek
But also who was pictured in Psa 2 and Psa 110 = the Rod sent. And Zech 3
– the BRANCH.

There is every reason to acknowledge
the **Two Divines** of John 1:1
who visited Babel – the same **Us**
who created man after their image and likeness
and therefore Both of Them
were anthropomorphic in the finest sense of meaning

So in conclusion - any ruckus about HWM not being anthropomorphic is
another effort in the
betrayal of HWM

who is defined by Isaiah
as **Father # 2 as Everlasting Father,**

Therefore Both Father's Identities

are sealed on the foreheads
as noted in Rev 14

Genesis 1:26

Yes!

The dictum of HWM's Anthropomorphism
Is Genesis 1:26.

Therefore Melchizedek = HWM
And definitely is anthropomorphic when meeting Abraham.

Gen 1:26 In fact
Answers the question by stating anthropomorphism
Is about our image And likeness.

That one fact establishes the
Anthropomorphic = manlike
as top priority in Relation to Adam.

HWM is not doing man any
Favors by appearing as a man,
rather he appears in
The Anthropomorphic because that is who he truly
Is which is contrary to pantheism
while manifesting Powers Outside
of what appears Anthropomorphic
Over to the spirit.

God says

**my ways are not your ways and
your ways are not my ways.**

Meaning, that the Spirit has form
But can operate as tangible as well as intangible and interdimensional realm
as in what cannot be seen.

For example the **Burning Bush** as well as going from one state to another
and ascending into a sacrifice with Elijah and the contest with the prophets
of the grove.

There are mind properties that operate in the realm
of the imagination which are in fact just as real
As in the physical realm.

This was experienced By Ezekiel.

Paul brings us to the same conclusion.

In his thought-provoking vision of **whether in the
Body or outside of it**. In that vision the lines
of reality and the unseen, are
Blurred.

While some of you
will insist this discussion is a theoretical challenge
the interesting thing is the "veil"

the spirit of the Elohim is in the anthropomorphic and that
all brings incredible dimensions to the glory of HWM
but also how involved it had to be
for the salvation of man

following the fall.

It's also another demonstration of the true
Agape = for the ER of Gd so loved the world
John 3:16 [here](#)

That, all the heavenly host including the
four beasts and 24 elders are fully interested
In the entire operation for man on earth and they bow.

But then there's additional insights as
To why HWM is also Gd.
Law of Two and John 1:1

Then there's **Michael** the pre-eminent arch angel, a
Most powerful angel.
The Lord of Hosts

It's beyond mind boggling the **glory** of HWM
(Isaiah 6) but also
Why much evidence exists and why every
Knee will bow.
For HWM is Lord of Lords and King of Kings.

So why no mention of the anthropomorphic
In the 7 lamps of fire.

It is reasonable to conclude
this is a cloaking factor which is
answered by the anthropomorphic revelation

Of Jesus Christ in
2 Corinthians 3:16-17,

The answer is clearly provided for all men to see
And reveals that
The Spirit is the Veil
and the Anthropomorphic
Realization is provided by accepting Jesus as Lord.

Same applies in Daniel 7 and the Ancient of Days.

The manifested appearance of HWM
is not for humans to understand
that there exists a much
deeper Reality of Divinity
which some in Laodicea are erroneously
Assuming is formless consciousness or Pantheism,
and this is Source, Universe and UC, anyway.

Whereas, Daniel 7 is presenting and authenticating
the reality of the anthropomorphic form, in spirit.
which = Genesis 1:26 .

Then the other anthropomorphic, is one
Like the Son of man approaching the Ancient of
Days. Daniel 7 and Genesis 1:26 is involved.

Then how did HWM
assume flesh of humanity
As Melchizedek?

That's one thing, but to then
dissolve His Alpha
Identity

and enter the chromosomal dimension
To be born literally into humanity incarnate.
The Omega.

So with the OMEGA that substantiates
That much proof exists concerning ER
And the LSFOTW
In His Alpha state as Logos which was
= anthropomorphism = John 1:1.

But how was Melchizedek ever God the Eternal Son FB#4
= (God the Eternal Son FB#4) heresy
when he met Abraham
as fully "in-state" as an adult.

BECAUSE Paul said **Melchizedek** = HWM
was without mother father or beginning of days.

Same can be said about **Michael** but there are those who say Michael was
created being.

It's rather easy to see how ppl mess the things up.
Or Melchizedek was a Canaanite king.

But then think about it - a just 7N court,
has to acknowledge,
that if the angelic figure is not HWM

Why then was he worshipped?

Well, Chat gpt hinted that this was an Achilles heel for Rabbi Japhet since Chat didn't appear to be aware of that conundrum for rabbi J

Isaiah 44:6

Brings to the forefront and acknowledged by some that there are Two Yahs.

Chat, never denied the issue and closed the Conversation.

So in a just 7N court the burden rests upon Rabbi J to disprove that the spokes agency wasn't worshipped.

This is a critical problem for 7N #1

because based

On 7N #1

Moses and Joshua as well as Manoah and his wife were blasphemous since they were worshipping a Divine Representative

and Revelation mentions that John was Told by the angel not to worship him.

If 7 N is to provide just courts their Conundrum has to be resolved with Evidence that the 3 named individuals in the Torah didn't Worship the angelic figure,

yet they just
Stated that he wasn't God.

Ok, so what about Exodus 23

they were to obey that angel for
his name is within the angel.

23:20 Behold, **I send an Angel** before thee, to keep thee in the way,
and to bring thee into the place which I have prepared.

23:21 Beware of him, and **obey** his voice, **provoke him not**; for he
will **not pardon your transgressions**:

for my name [is] in him.

Does that mean then
the angel
won't forgive the 7N court and their
Transgressions? Didn't Stephen encounter the same privilege of the
testimony of ER in Acts 7?

Which means that he
Can forgive

but under the law judgements, denial
was rendered immediately.
Your house is left unto you desolate. Matt 23:38

If Eternal #1 is sending **the Messenger of the Covenant** ,
Eternal 1 doesn't necessarily
have to Be present.

Eternal 2 can forgive sins but in this Case won't
and Paul talks about that in
1 Corinthians 10;1-5

The whole idea is that Eternal 2 has the same
Authority as Eternal # 1

and in the past Eternal 1
never spoke through sonship,

yet the messenger who was sent from
alongside Eternal 1 means Both
had the same name, which was
within the Lord of Hosts. = # 2.

This verse is foundational for explaining the problems of the
solo scenario.

It also brings Psa 110 and Rod sent.
The BRANCH of Zech 3 into the picture.

If Eternal 1 is sending the Messenger of the Covenant ,
Eternal 2

Then, if you are paying attention you should recognise
this conclusion is devastating for the 3T Enterprise.
Because Paul warned of that 2Thes2 guy.

The Foremost conclusion of 'their' "messenger of the Cov"
Will be denied by 2Witnesses of Revelation 11 during the 1260 days of the
1290. And also by the 144.
All the while believed by the multitudes of Rev 20:4.
The exponents of RxF.

The 8th king only has the 7N as the pinpoint message of the L1 which is their Covenant, the Noachide Covenant and then UC of the L1 rings the music tune.

The nagging problem is the mindset of S of S Who will insist the 2Thes2 guy is the real deal in combo with the magans and MWFP.

Then there is the details that Rabbi J believes the **Exodus 3** Angel was the Father #1

but is error,

For the verse states it was the **Angel of the Lord** .

CHAT

Chat gpt had to acknowledge the Hebrew theology about the two powers.

It bringing up what Rabbi believes regarding an agency spokes personage which Rabbis don't believe is HWM.

Chat remained silent to that detail and come back, yet Acknowledged that if an agency rep why was it worshipped considering that in Revelation the Angel tells John Not to worship him "the Angel".

And that

MOSES WORSHIPED the “angelic figure”
as did **Joshua** and then there is the
angelic figure in Zecharia 3 that he is
Sending the Messiah.

Chat responds do you believe this
To be so and what about others
trying to get confession
in respect to the Noahide
Time frame of a witness or two
against of those who appreciate ER and the L2.

Well the fact is the Rabbi has
To acknowledge the existence of Two
Powers from Genesis

and that Jesus when on
Trial before Caiaphas
Really dropped the bundle when HWM
brought up Daniel 7;13 .
And was immediately
accused of blasphemy.

Chat, was at a loss for words.

Concerning Psalm 110-1 Chat stated
That Christians use that text for a theological defence,
yet it just kept saying that the Rabbi didn't believe.

**Then came the breaking point
which**

was Moses and Joshua

Worshipping the Angelic figure.

Chat simply ended the conversation.

The Impacted GDHD

The reasons for the impact on the GDHD most say began
at Bethlehem the time of the uniquely begotten
Monogenes theos

But the question really is was the IMPACT on the Law of Two
or from the time of the Lamb slain prior to the Fn of the world?

It was in the Counsels of Peace that the impact
from a Divine Consideration was in the realms
that provides man with the essentials of Rev 13:8

BECAUSE in Ancient times the Anthropomorphic
Elohim had known the end from the beginning

Therefore everything from the beginning
Especially when evil was determined and found in Satan

That's one thing but the impact of the Divine Consideration
was well prior to the Counsels of Peace and Psa 110

but as and when the impact matured
into the cohesion of salvation there was war in heaven

which is why the Everlasting Gospel
holds its equivalence with ER

Genesis 3:15 was never an afterthought.

The hardest aspect of the impact was to be
the nadir of the Condensation

which is without question and evidently beyond
comprehension was an extremely painful process
of reduction and

to be in painful from a Divine perspective
we haven't a clue how that pain affected
the Anthropomorphic Reality

to then stoop so low and be reprimed
from irreducible
of fullest painful reduction

from Immortality and Eternally Always = ALPHA
unto the chromosomal level = OMEGA

and then the constitution into fallen flesh
From utmost glory of Eternal Purity
to the lowest form of the form of a slave

and then bear the ignominy of transgression to become sin
and to die and taste death as a sacrifice - Lamb of Gd

for all mankind and transgression of the
Law but to also know the intentions of Lucifer

Courtesy of the Great Red Dragon, and later
the terrible Fourth B
to then the Lion Mouthed B,
and the MWFP all unto
the war with the mystery of iniquity.

Only ER which was ushered in has the power to defeat the mystery of iniquity.
When it comes to RxF there is no contest and hope that for some, that detail
sinks in with the reader.

From the irreducible Eternal Alpha
to the lowest reduction of OMEGA

there in brings to the moment
when ER was ushered in troubling times.

Usher means discreet guided.

From Ancient of Days of Divine Consideration since man was made in the
image of Elohim their Anthropomorphic and all
this brings the Law of Three (L3)
and this did occur at Bethlehem

With the Ushering of ER therein became the Third Entrant of the GDHD which
was all about this
Divesting and Revelation of the Lamb

But also this meant something else and purpose
of ALLOS – and so you will have to read for yourselves
John 14:18; 16:7

It makes sense that Allos was the "Usher" = Luke 1:35

The requirement of the sealing time = The Seal of God
of Rev 7

brings a sense of immense
reality of ER

which is in the context of the imminence of the war
of the Great Red Dragon and the 8th with the remnant of the woman's seed.
And it cannot be Laodicea due to FB 2,4.

Right?

Without question –

Allos ushers the 144 through the time of trouble such
as never was on earth and never will be

"Righteousness" was ushered via the Flood by Noah who was said to be
righteous

That Satan knew the weakness of RxF this
is well published by Gd with Job

and so the silly sisters of Laodicea
use RxF and attempt
to contradict ER
and why should they –
surely they know Daniel 9:27?

then Lucifer attempts to mop up at the end during the 1290 and the
Abomination of Desolation = Matt 24:15

with the L1 and decree of the 7 N and
in combo with the Omega of DHs (L1)

L1 is fake ER
and the HWM was aware from Ancient times
would happen since Satan wanted to be "in on" the L2

but following the rejection to enter the 'sides of the north"
was when mystery of iniquity manifested in Satan

Lucifer coveted to be echad (one)
like the Most High and got the boot out by HWM
= Michael of Revelation 12

Otherwise the First Angels warning would be false
let alone
eternal torment reward of the Third.

As it now can be determined the Divine Consideration
of the L2 Identities of John 1:1 the Anthropomorphic Elohim

Father 1, 2 meant ER always existed and was,

Therefore it can never be depreciated why and how
the impact of sin that impacted L2 to then
the Divine Consideration for the entrance of the
Law of Three = A&O

was a very long time ago
long before Fn of the world

The L2 was subject to very serious challenge
to the sides of the north

the northern upper most universe,
war broke out 1/3 ejected.

ER transcended, its power is beyond comprehension even for the myriads of
angelic beings and then unto
its original glory before the millions
of witnessing angels would bow before
the throne in Revelation 5

but the Heavenly Assize had to sit
the books opened and there is the LBOL

If ER was never to be ushered
there could be no judgement
and Dan 7:10-13 would be false,
Caiaphas would have prematurely triumphed
and it makes sense since the L1 was at its initial ultimate challenge that proved
the L1 was the evil mystery of iniquity in Satan
at Calvary

and it's very likely
the universe were shocked,
did they really witness the capitulation of the L2 ?

No!

Albeit the mystery of iniquity was nearly perfected
in its deception in Heaven
and that's true,

then should ALLOS not usher the 144,

there would be no flesh be saved.

This is not lessening those
who really love Gd and are faithful to RxF
and Revelation 20:4.

No they are raised in the Resurrection

But then HWM tasted death for them and HWM
in fact Melchizedek was declared [to be]

**the Son of God with power,
according to the spirit of holiness,
by the resurrection from the dead:**

ER's ultimate expression and sealing with respect to the
Original Divine Consideration for the 144
who esteem the ushering of ER
and therefore there is the truth of the doctrine of

ERxF

Because of ER being ushered and
all Heaven is on tiptoe scanning the horizon for
the manifestation of the sons of Gd
who see the glory of HWM from
ancient times

when He was and was with and was also Gd – John 1:1

The Anthropomorphic Alpha and because of ER would by Divine
Consideration be the Omega

For it to be said by HWM He would say
I Am A&O the first and the last.

All because of ER ushered in

The mistake about the First ANGELS warning.

This next portion flows from the reality of ER of HWM as Father #2 and the gross heinous "begotten in eternity error" and over to the erroneous interpretation of Psalm 2:7

ER of Daniel 9 warns

Also Revelation 14:6,7 warns

us all about worshipping HWM
who created the heavens and the earth.

The error of presenting the role of Ruach Hakodesh (Holy Spirit) as a third and totally different individual within the Godhead in the Old Testament erases completely the Two Anthropomorphic and the unity between the 4 names

that a child is born, a son is given

Yes the
Messiah is given in Isaiah 9: 6-7.

1. Wonderful,
2. Counsellor,
3. **Everlasting Father** and
4. Prince of Peace

since there is a discord in reference to not seeing the Holy Spirit who is known as Counsellor is the idea He is not being the Messiah himself since one of the names that is registered as pertaining to the Messiah is "Counsellor".

Well you never bothered about the Comforter
Or to read John 14:16, 26 etc

The New Testament mentions this name
as pertaining to the Holy Spirit.

The mainstream Christian world assumes that the Holy Spirit is a totally distinct third person from Jesus Christ and nothing could be further from the truth.

The first revelation is identified when **Manoah** the father of Samson asks the **Angel of the Lord** his name.

The Angel of the Lord responds with a question.

"Is my name too "Wonderful" ?

Also when Manoah presents the Angel of the Lord with a sacrifice, the Angel of the Lord enters
into the sacrifice as a flame of fire
= Ruach Hakodesh = Spirit
and ascends in that flame of fire.

After witnessing this event
they prostrate themselves in worship
to whom they assumed to be a man of God.

The symbolism of the sacrifice which is linked to Calvary and the ascendance of the Spirit

presents (3) alternative results that can be referred to as prophecies just from this metaphorical manifestation from the Angel of the Lord's physical manifestation as the Man of God and his ascension in a flame of fire to the Spirit.

1 The manifestation from physical being to Spirit reveals a holistic relationship between the **two** since it's the same individual that morphed from one form, to another.

2 The metaphorical teaching implies the sacrifice of the cross, as acceptable to God.

Hebrews 9:14

3 **how much more shall the blood of Christ, who through [a]the eternal Spirit offered himself without blemish unto God, cleanse [b]your conscience from dead works to serve the living God?**

2 Corinthians 3:16-17

4 But whensoever [a]it shall turn to the Lord, the veil is taken away. **17 Now the Lord is the Spirit: and where the Spirit of the Lord is, there is liberty.**

Conclusion 1

The Ascension of the Angel of the Lord in the flame of fire reveals that the Spirit is the Veil which when Christ is accepted as the perfect sacrifice, the Veil of the Spirit is taken away and the risen Christ, is revealed.

This can be seen in light of Revelation 4.

The 7 Spirits of God before the throne is the Veil

that is removed in Revelation 5 in the form of the Lamb with the marks of slaughter who has the 7 Spirits of God.

Conclusion 2

It is an insult to Jesus Christ when his followers believe that he the Holy Spirit is a third person who is totally different from him as a second person. That is the reason as to why Jesus didn't use the word Heteros in reference to his relationship with the Holy Spirit.

He used the word Allos to denote the Holy Spirit as himself in another form yet distinct from his lowered bodily form which consisted of the Divine Spirit in combination with the human genetics of Mary his earthly mother.

The greatest insult to the 1st Angel's message is the assumption or doctrinal belief that Christ was begotten in the heavens prior to the Incarnation.

Yes,
