DOME OF ROCK PROPHECY

691 A.D.

Challenge

https://www.youtube.com/watch?v=bClik35-2VI

Rabbi Tovia these days has a new insight to the Book of Daniel definitely a new found ground swelling of popularity and rabbi is today really into the Book of Daniel.

All Contrary to the cautious rabbinate calculating **Daniels 1260 1290 1335** prophecies and no Rabbi T is now out into the theology community and is out miles further
by way of applying calculations to Daniel 12's 1335
(which is risky to any rabbi)

saying that 691 AD and 1335 days of Dan 12:11
is start point rabbi says
of the **Dome Of the Rock abomination**

in respect to the temple precinct
being trodden down by the
clan of Ishmael

and therefore Rabbi says Daniel 12's

1335 **days is from** 691 AD *

* (What about Titus AD 70 – keep that in mind as you proceed)

Rabbi concludes the end date of 1335
is either

= 2026 or 2027.

Give or take a year

depending

Whether the Dome was completed according to rabbi

it's either 691 AD or 692 AD

As you now continue to listen to the vid of rabbi,
Pictured in a Jerusalem alcove

Rabbi waxes in "lyrical prophetic mode"
with the old adage –
next year in Jerusalem

It is unmistakeable
Rabbi has now absolute keenness
about 691 AD

Which truncated means that **Jerusalem**
will be where

Japhets blessed, and
expected one arrives,

Rabbi even suggests that that sort of
explicit detail
may make a debut
in 2027 AD

just in time
To fulfill the midst of the week
of Daniel 9 ?

Then if you are following the rabbi reasoning

There would be
the inevitable arrival of the **king** in the great city

Right ?
but then will rabbi recognise the reality
that complicates his
date calculations of 691

which is what
that also from Daniels prophecies
the 8th king will fulfill Daniel 8:23-25.
And Daniel 7:24-28

Rabbi says

There is no parallel

https://www.youtube.com/watch?v=xHXfLk1Fm7M

In this link rabbi developing the Japhet theology
concerning 691AD and says

"**there is no parallel.**"

Oh, Really?

Ok, so
From another perspective if you apply
The rabbi calculations concerning the
Abomination of Desolation
= Matt 24:15

This brings rabbi
to an early but quite deep predicament

Which is what?

HWM quoted **Daniel the Prophet**
Precisely in Matt 24

no one greater
than HWM
confirms the

event of the 1290 days
as the **abomination of desolation** of Matt 24

HWM is therefore confirming for you
the 3-set sequence
of Daniel's

1260, 1290 and **1335 days**

So sit now an do some reasoning?

By applying rabbi calculations
from 691 AD

you have the following

- **1260** To **1951**

- **1290** to **1981**

sandwiched between **1951** & **1981**

Was what?

the Six-Day war of **1967**

The year 1967

Presaged a momentous and imminent
prophetic event
known as

'Achri hou'

of Luke 21:24

➔ Here

And this Six-day war saw what ?
The reclaiming the Temple Mount
for the first time → (images here)

Jerusalem having been trodden down

since Titus destroyed
the city in **AD70**

confirming in every instance of profane history
what HWM describes would occur to
the temple and the end of the world
in **Matt 24.**

And that meant the **Six-Day** war was what ?

What exactly ?

That the fulfilment of **1967** meant fulfillment of
Luke 21:24 was
imminent,

And to be predicated on what

the **"Achri hou"** concerning the
times of the gentiles

- ➔ here
- ➔ And then here

and yes the **times of the gentiles** had
closed.

That was when?

1980.

That very year confirmed Jerusalem no longer trodden down.

DANIEL AGAIN

Daniel 8:13
provides that by way of the
certain saint

= Wonderful Numberer

= PALMONI
= HWM

That by His Divine Authority in Daniel 8
He by- passed
all this 691 AD

as rubbish and prophetic nonsense

Now that's a hard read for rabbi

But don't forget rabbi is fully invested with the date calculations these days and has to have those calculations
fully tested – test all spirits 1 John 4:1?

> **Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.**

But then the eureka moment according to Rabbi
is the **1335** fulfilment
in 2026 or thereabouts or 2027. It's in the vid

EASY TO SEE

It's easy to see why the long-held Rabbinate traditions
were austere and strict
because they **never wanted**
egg on the face

attempting at calculations
let the goy do that with Book of Daniel lest
Complete embarrassment shame of face arises

and if you do know the Book of Daniel well
that's actually the end conclusion of the matter.
And no prudent rabbi dare overstep **that line**.

But Tovia has ventured and responds with the antitypical reasoning's and its all-mumbo jumbo with invective to those who
Cross the rabbis path anyway
But rabbi will have to slow down at some stage and be schooled in Daniel and the Revelation.

So what about 691 AD

691 AD are the "**days of vengeance**"

and then there's the blunder of

2026 AD

2026 or 2027
marks a "latter-day" chronological deception
After Luke 21;24
which to the Rabbis
are attempting to align with
the 1335

but in the process is dour and tawdry because it lacks
precise Cohesion with
the 1260 and 1290.
especially in its association with Luke 21

So what about it?

Well, the discerning patriot would
recognise rabbi is out in the weeds
since his exposited date
2026 by rabbi

confirms what EGW said

After the truth has been proclaimed as a witness to all nations, every conceivable power of evil **will be set in operation**, and minds will be confused by many voices crying,

Yes, every operation of evil will be set in operation
and therefore the very next step
Regarding the rabbi chronological error

Marks the commencement of what?

Their Interpretation of the
last prophetic Week (Dan 9)

since in the last standoff with
King of the South (Dan 11)
they have been summoning the
White Horse rider.

So 7N = "one" of the Law of One
1 god

is a Theocratic principle in
Opposition to the

a) **New Testament Kingdom of Grace and**
b) **antithetical to the First Amendment of the Constitution.**

Like isn't that

red flags
everywhere ?

Huh?

Yet from the start of the Great City in
Relation to 1260 and 1290 and 1335
There is perfect cohesion by the
Wonderful Numberer of
Daniel 8.

What is evident as you examine the last vestiges of prophetic time
there is the fact that
HWM has permitted Satan
Some operational "space"
for deception
especially

in reference to the 1335 days

leading into the
so-called **false application** of the
70th week by Benny Eph
and Benny Dovd

Daniel however presents Rabbi and the rabbinate
with lot more problems

How?

By way of establishing the fact of
What was meant by
Admatay

"**until when**" from Daniel 8:13?

The only accurate commencement date for fulfilment
The until when of Daniel 8:13 which is as you know
the Transgression of Desolation
being **554 AD** under **Justinian's**
Pragmatic sanction

And then there's is the
until when and
the cleansing
Of Sanctuary

– yes the **Heavenly Sanctuary**
Where sin began
would be cleansed
= **Dan 8:14**.

= **1844**

Impossible for Rabbi to say otherwise

Can't be the Second T.
Doesn't exist

Right

Bulldozed by Titus.

Right?
The city trodden down since 70AD

Therefore bad math + poor prophetic discernment
means the 1335

Cannot ever be 2026/27

Besides there is no 3T to be **cleansed**
Doesn't exist in 2026
And so no blessing there

Right?

What is clear Rabbi has been granted 'work space' to bring awareness to the tribe of Japhet concerning a very important
End time prophecy because the Book of Daniel
was sealed till the time of the end.

Right?

But the problem remains Rabbi has to now tread exceedingly carefully since the fact is 'inspiration' also comes by

the mystery of iniquity

For what?

False prophecy interpretation.

Whereas Discerning Christians familiar and
solid in prophecy

are familiar where the *transgression of desolation* was invoked
by a scarlet 10 horned beast and the Scarlet hag which meant it wasn't the Fourth beast either

But of course there is the former famed house of David remained completely irrelevant to Bible prophecy
for a very long time
Like as a garbage dump,
all prior to the build-up of the
Dome of the Rock in 691 and long after anyway

Nevertheless, what is true is the reality of
these be the **days of vengeance.**

Why?

Because HWM said

> Then let them which are in Judaea flee to the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

21:22 For **these be the days of vengeance**, that all things which are written may be fulfilled.

Yet, most of Christianity, and
Catholicism in general,

And oh, yes,

Laodicea **in particular**

according to Rabbi have to contend
with the fact that the tribe of Japhet
are back and into the
prophetic calculation business from
the Book of Daniel

But also to the fact that HWM is
Not finished with them. The wild olive tree. Right?

How?

Read Romans 11 to get the final picture of
The proper root stock and regrafting

Now this is why the Bible's position is different because
Not only did the worldwide
Bible Conference of
Laodicea in
1952 get the full alert

which
Indicates that Rabbi

(for better or for worse)
Has a case in reference
to **1951**

Which Tovia had not mention on the YT broadcast

Therefore Rabbi is not fluent in the prophetic
Angles of that particular time
frame of

1951

which he didn't present anyway

because the three sets of days in Dan 12:11
must have full cohesion

and the chronology
even though off by one year as is the case with rabbi

there was
Laodicea's Worldwide Bible Conference
in **1952** that did realise and
envision the time frame of events in
relation to the new state in **1948**

But Laodicea then and still to today
Are not familiar with Gen 9:27
And it would be expected that Tovia
ought to be anyway

And then you all have to recognise

Something very important
Which is HWMs Fig tree parable
warning in Luke 21

Yes, it was Jesus who stated that **the times of the nations** the **Achri hou** was going to happen, and after only
a very long time only till then it was
imminent and the
1952 Bible conference and delegates
in attendance knew something was up
but dropped the ball in the process and went back to sleep

Laodicea dosed off back into big Sleep
only then to be alerted by Zurcher in Worldwide
SSL in **1980**. → Here

Rabbi – Is One Year OFF ?

Any timeframe, off by the smallest of margin,
is a failed interpretation

Either way you look at it

Rabbi is off by one year depending
on when his count began,
but regardless

The problem Rabbi has is this

Which is to see why the accuracy of the **1335**
and **1290** is anchored

to **Daniel 8:13-14** where

one saint speaking
to the other saint spake

and its
not a rhetorical question in the vision of Daniel

which was "until when" admathay - exactly?

How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give **both** the sanctuary and the host to be trodden under foot?

Right?

But according Rabbi the original reference point of his calculations has the commencement in 691 AD
By the building of the Dome of the rock or
It's completion.

For rabbi that is 691 or maybe 692

But like everything
Rabbi has now two **transgressions** to reconcile
Namely

1) transgression of desolations and
2) the **abomination** of desolations

691 leaves both badly out of focus

Especially when it comes to Daniel 8 and Daniel 12
And besides the same language
is presented in the Revelation
of the Apocalypse
anyway.

Reason being rabbis are to reconcile
two different desolations
because they are two separate unrelated scenarios
one being the type and the other
the anti-type.

Right?

Yet due to the very long intractable rabbinic rule of no permission to the interpretation of calculating
Daniel 1260 1290 1335

It exposes the core problem for the rabbinate

They are all have left this intractable problem
Rabbi has had no schooling in the Book of Daniel
To put it all together in a cohesive structure

Yet their commentaries proved their own prophetic
demise and this
Because they were BANNED
With attempting calculations.

Thems the breaks guys.

This is a stunning and much **unexpected** reorientation by Rabbi Tovia but then it shouldn't catch Christians by surprise.

Yet Laodicea, as well as all other protestants,
never Listened to Jesus anyway

whose
statement was based
on the **cursed fig tree.**
Whose branches are now starting to
Produce bad fruit.

Rabbi has got a very large set of theological / prophetic problems to resolve

even before going on camera in the public domain
and adding more confusion in an already
heavily confused arena of theology

and also there is the very .real problem
with his millennium Temple
and the 7 N

since the latter portion of Isaiah 2 reveals why
it will be destroyed by the events of the
7th Trumpet being
Isaiah 24.
DANIEL 12

> Then I Daniel looked, and, behold, there stood other two, the one on this side of the bank of the river, and the other on that side of the bank of the river.

12:6 And [one] said to **the man clothed in linen**, which [was] upon the waters of the river, **How long [shall it be to] the end of these wonders?**
12:7 And I heard the man clothed in linen, which [was] upon the waters of the river, when he **held up his right hand and his left hand unto heaven**,
and sware by him that liveth for ever

Yes, the latter portion of **Isaiah 2** reveals why
The fate of the great city

will be destroyed by the events of the
7th Trumpet being
Isaiah 24.

All because the **denial of the**
Heritage of Jacob.

And rabbi ventures into the prophetic
hyperbole of Accusations of the anti Sems

Well that's always a handy fall-back option for rabbi
But doesn't get the proper job done
with what Daniel had to say about
the 1260, 1290 and 1335
Why didn't Rabbi mention the use of Lurianic K
in reference to the location of the Temple
Area?

This was **never** the heritage of
Jacob and his fantasy of

a false ingathering
stands on quick
sand

since it gets far more complicated
as to the
Basis is Genesis 9:27

and Deuteronomy 28's
cursing’s

and **no return to the land** exposes
the **falsehood.**

So, why do the **Persian Japhet guys**
Refute the modern state?

Rabbis application of Daniel 12 1335 days is
a poor effort and doesn’t explain anything at all
But the rabbis ideas are Full of holes and seems no one wants
To knock him off the theological pedestal at the
Present time.

Rabbi has not articulated
the two different abominations
application of Daniel 12’s prophecy

but only goes immediately into the
Antitypical narrative.

And says there is no parallel.

What?

What about the rabbi followers who are enraged with the curse pronounced on anyone who "calculated" the 70 weeks?

That ushers in Eternal Righteousness
of Daniel 9 anyway.

Watch how Rabbi confirms this → here

Everyone knows a **curse** proclamation is
registered in one of their
commentaries.

But Rabbi says that curse is now "antithetical'

What?

So, Rabbi has now to fend off the rabbi brethren
Who vent infuriation, with intimidations

for the calculating the 70 weeks and
anything in the Book of Daniel

and then
attempt to explain the Dome of the Rock
abomination
and is impossible to defend
from the Book of Daniel
anyway.

So, since Rabbis "Dome abomination" Prophecy
commences at the 691AD
a few basic questions
emerge

Who really is the LH of Daniel 7?
The ten Caesars concept is shallow
typical of the schools of Protestantism anyway

Tovi - Exactly what sanctuary
is to be cleansed
in Daniel 8:13-14

When the Second Temple was
destroyed in AD 70 and the Caesars
of the terrible fourth Beast of Daniel 7
reigned till 476AD?

Ok

NO TEMPLE since AD70 means what?

there is only one Sanctuary
To be cleansed

and its functional cleansing can only be ministered
under Melchizedek

Paul provided the answer
it's the Heavenly temple not built by hands
Heb 8:1-5

Right?

confirmed cleansing in Heb 9:23

Right?

Antiochus is not an answer either.
Far to early 168 BC

Right?

Now Draw the basic calculation conclusion
Rabbis 691 Dome Rock concept

Yeh, immediately a failed interpretation

History, not for one minute suggests
 Sulieman, the Ottoman caliphate kings
Was the Little Horn.

Those guys remain
But the King of the South.

God said an illicit woman rode the Beast
To the complete contrary of the rabbi illiteracy with the Apocalypse which is the time of trouble such as never was
And that is Daniel 12:1.

Right?

Why would the Crusades need exist
when the HRE were, never,
ever in appeasement

with any of the caliphates.

Rabbi
who do you say were the five fallen kings?
That dismantles your ten Caesar construct which is not new by any stretch so why borrow from failed interpreters?

All that 691AD involves are the days of vengeance

And prominence of the King of South

All the while the events of Dan 11:40-45
are still future.

Besides, the caliphates made their many conquests
And Pph returned the favour.

Case in point

Charles (the hammer) Martel

Early on after 691AD
Charles the hammer Martel
Had significant military victories
Against the Saracens.

For example the **battle of Tours,**
France, the town was held
by Martel. → Here

Otherwise, as Edward Gibbon and others concluded
had Martel the hammer failed, the Koran would be
regular religious literature in western Europe
in fact if not all of Europe.

Rabbi - ONE YEAR OFF schematic

Those familiar with Daniel 12,
the 1260,1290,1335 days
Can see immediately why the dates
reckoned by Rabbi with the ignominious
2026 – 2027 date setting

Tovia is into date setting?

Yep

And being a **year off** is pathetic but then
If you consider what Tovia is saying
with HWMs insights in Luke 21 which is for our time

again Tovia is one year off to what HWM said
about the prophecy of **Luke 21:24**
being fulfilled in 1980.

691 + **1260** = 1951
691 + 1290 = 1981
691 + 1335 = 2026

NOT 1981

But there is an interesting significant coincidence
With the date of **1951**

Since it does bring the reader here to the regular failures of
Laodicea which was to make a decision with
the 1952 Bible Conference

Arthur Maxwell knew the state of world events was important,
that something was up with the newly created state
in **1948.**

The backfire reverb

The backfire reverb returns immediately to the feet of
Rabbi by way of what HWM said in **Matt 23:38**

And of course how that would relate to
the summer of the Fig tree prophecy of
HWM in Luke 21

The summer of the **Fig Tree** parable
could commence only

After the **Six-Day war**

With the flag on the temple mount
Bu then who can forget
it was all set in concrete as BASIC LAW
In **1980**.

Officially in the annals of the State of Israel,

1980 is the very year

Jerusalem

Was DECLARED by Basic Law

what?

Just as HWM said

He said there would be an event
Concerning Jerusalem
The city was would no longer be what?

no longer trodden
down of the gentiles

That year of 1980

the BASIC LAW → here

was affirmed by **Knesset**
that the **capital of Israel** is
now declared
Jerusalem.

No more impediments, no more trodden down by the goy.

Right?

Confirming what?
Fulfilling

Deut 18:15 and Acts 3:22

That **"The Prophet "** of Deut 18 **was Jesus Christ**

HWM Foretold when the event would arise as to the restoration status of the city as no longer trodden down

But keep in mind as you read Luke 21 there
Was a bunch more stuff in immediate associations to the
City of Jerusalem no longer trodden down
And that should mean a lot
but ought that be nothing of significance to the rabbi ?

No!!

But then what was Divinely Mandated in **Matt 23:38**
By HWM in Luke 21 strikes at the very heart of the estrangement and related to a certain tree that
Commenced growth in the summer.
You will need to read Luke
for yourself.

Confirming what exactly?

Just what HWM said

That **Jerusalem** would at some juncture

in prophetic history

Would be what
no longer trodden down
of the gentiles.

Tovia has to explain now explain

profane history
why 1980 does
not = 1981

Right?

So, now discerning patriot
what about the **2017** Temple mintage
of the shekel discussed → here → here

And then of course there is
saving
a certain nation for last?

A message for frequent appearance?

So what about the counsel Egw provided in CWE p24

About LUKE 21

> "In the twenty-first chapter of Luke **Christ** foretold what was to come **upon Jerusalem**, and with it He connected the scenes which were to take place in the history of this world just prior to the coming of the Son of man"

Unfortunately,

There **never was** frequent appearance in Laodicea and look at their dearth of any contribution to the Three Angels Messages

Laodicea who were given much light
And for the prominent importance were
Counselled what,
exactly?

To, study Luke chapter 21.

Where it was that certain saint of Dan 8:13-14

Wonderful Numberer = HWM
confirming when
Jerusalem

Was no longer
Trodden down of the gentiles

Right?

When the capital moved to Jerusalem
Registered by basic law by the Knesset.

If anything
that's a huge impact
on all Rabbis

So why mess with the poorly baked
DOME ROCK abomination prophecy
As outreach evangelism to 'Christians'

Then there are the three sets of **days of Daniel 12**
The important set of three applications

1260 1290 1335

Well Guess what?

there exist many theological
booby traps for the 'outreach' rabbi
to manage
as well the Book of Daniel

And Because **"Scripture cannot be broken" John 10:35**
Everything has to and must
all reconcile.

But then does it makes sense for Rabbi
to be busting to use
Daniel 12 now, because
Daniel lived in Persia anyway.

Currently, noted by Tovia as geo-political prominence.

And a long-term enemy of

the Japhet guys?

Right?

The land of the famed **Esther** and **Mordechai**.
And **DANIEL**

Rabbi's stubborn problem

Fact is
The events of the Apocalypse are
mentioned in Dan 12:1

That leaves Rabbi
Badly Short changed
by the vendors of Japhet spiritual oil
at the temple precinct.

Why?

Because In
The antitypical 1290 days of Daniel 12
it was HWM who confirmed
by Divine Mandate
the obvious

as to what is the
"Time of trouble" and the end of the world related to

Concerning the long-established

Daniel 12:11s

1335, 1290, 1260
prophecy anyway

HWM sets in prophetic order
the sequence of events **around**
the **abomination of desolations**

The context is very clear in Matt 24:15 and
the time frame concerning Luke 21:24
and then the 1290-days

was not and could never be
the transgression of desolation
of Dan 8:13-14

and that only
confirms what?

That Matt 23:38 was true in its Divine proclamation
Your house is left unto you desolate

And to claim the rabbi by traditions of the elder Rabbs
is without a fault all
Despite how rabbi will respond rhetorically and
dance around the proverbial
pinhead of wayward reasoning

at the cost of and even to
the precise prophetic standards
set out by Daniel .

Yes, everyone knows the clan of Japhet
It's been a long lament.

Remember,
Fiddler on the Roof?

So, ok here is the thing

Would it eventuate and by a miracle of Divine intervention

does Rabbi really now desire to be a follower
Of HWM

That the entire point of the book of Daniel is to begin to recognise who was foremost standing on the river in Daniel 12

That if rabbi got understanding of who from Heaven was explaining the time of the end and why the book of Daniel was SHUT?

TOVIA repent of the constant denial of the eternal Divinity of HWM of John 1:1 of Gen 11:7 or Gen 1:26 or Isaiah 44:6
Or the angel who visited Manoah and the same who met Moses at the burning bush. Right?

Repent and be baptised
become a follower of HWM the
Wonderful Numberer of
Daniel 8 and

Isaiah 9:6-7?

And oh, don't forget

To be of the restored to the Heritage of Jacob

The very
"root stock"
Of Romans 11

If by any means I may **provoke to emulation** [them which are] **my flesh**, and might save **some of them**.

11:15 **For** if the casting away of them [be] the reconciling of the world, what [shall] **the receiving [of them be],** but **life from the dead?**
11:16 For if the firstfruit [be] holy, the lump [is] also [holy]: and if the root [be] holy, so [are] the branches.

11:17 And if some of the branches be broken off, and **thou, being a wild olive tree**, wert grafted in among them, and with **them partakest of the root and fatness of the olive tree;**

What?

The olive tree .

Right?

The Olive Tree is the original heritage of Jacob

The Olive Tree is absolutely not

is not
the FIG TREE of Luke 21

Right?

This fig tree parable
is the ultimate fast ball for any rabbi to confront
and those who delve into the calculations of Daniel 12

regardless if Rabbi believes or doesn't
Every knee will ultimately bow

That's one tough decision for Rabbi to be sure.

The basis is what?

Unbelief.

> 11:20 Well; because of **unbelief** they were broken off, and thou standest by faith. Be not highminded, but fear:
> 11:21 For if God spared not the natural branches, [take heed] **lest he also spare not thee.**

11:22 **Behold** therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in [his] goodness:

otherwise thou also shalt

be cut off.

11:23 And **they** also,
if **they abide not still in unbelief**,
shall be grafted in:

for God is able to what? **graft them**

in again.

11:24 For if thou wert cut out of the olive tree which is wild by nature, and wert grafted contrary to nature into a good olive tree:

how much more shall these, which be the natural [branches], **be grafted into their own olive tree?**

(Hint it is not a FIG tree)

11:25 For I would not, brethren, that ye should be **ignorant of this mystery**, lest ye should be wise in your own conceits; that **blindness** in part is happened to Israel, (to who?) Israel **until (what?)**

"Until when"?

until the fulness of the Gentiles be come in.

To be blunt

1980 - That's the arbitrary prophetic conclusion

about the **times of the gentiles.**

The events of the **Knesset** that year of 1980

corrects the 1 yr difference created by Tovia which
is unbelief and denial of the proper Heritage of Jacob
birthright.

Right?

But then there remains for rabbi and everyone else
The imminence of

Daniel 11:40-45

and that should what?

snap all readers
to attention

More so
Those who are familiar
with the
one yr difference disparity

to snap out of the lethargy of stupidity
= morons of Matt 25
immediately

Due to what?

Because the **Two Kings** Of Daniel 11
are imminent

The final formation of

The King of the North
And King of the South

And because you all have
Dan 11:40-45 to resolve

OK - who is willing to place a comment
In the comments section as to
What that is about That arises and when ?

Daniel told you in Daniel 12:1
= time of trouble such as never was
= Matt 24:21

HWM said it is the **very same**
time of trouble

Right?

That should now become surely of some discerning rabbi
That would pique their interest in resolving the calculation
Problems with Dan 12:11

And especially of Tovia who is joyous with keen interest
in the holy prophet Daniel.

Joyous to have found something
But turns out to be fools-gold
and not the real gold 'tried in the fire'

The events of Dan 11:40-45
are just prior chapter to Dan 12

Now Rabbi has the added problem of reconciling a bunch of things in the Book of Daniel that really should
and will arise eventually

What is now brought to everyone's attention
Is twofold as to

1. everything relevant to the **typology** of the ***transgression of desolation*** type of **Daniel 8:13**

2. the **antitypical** "*abomination of desolations*" of Dan 12

Then to the Luciferian era of Rev 13

All of the above has been covered previously here at 5A

And what of it?

The **antitypical** is spelt out in Dan 12
About who reigns in the antitypical
Yes the 1290 days of Matt 24:15

Who is that?

The actual reign of the

8th king of
Daniel 8:23-25.
= Dan 7:24-28

Right?

Those familiar with the Apocalypse of John the Revelator
know this event of Dan 11:40-45

is when the 7th king of Revelation 17
who lasts a short space

exits in Revelation 13 with the deadly wound
and that initiates what exactly?

Two things and one of them being nothing
more important than
the Loud Cry
Rev 18

Just as the **Faithful** and **True Witness**
Who is the First and Last
I AM
ALPHA & OMEGA

Who was the I AM of Abraham

Who Daniel said

He is **Michael of Daniel 12**
And Abraham knew Him as Melchizedek

Same Divine Individual

The Loud Cry? – yes

because immediately from thence
you are dealing with the
Apocalypse and what HWM said was the

time of trouble such as never was
while introducing Daniel 12:1

Right?

A Time of trouble such as never was

Right?

> 24:19 And woe unto them that are with child, and to them that give suck in those days!
> 24:20 But pray ye that your flight be not in the winter, neither on the sabbath day:
>
> 24:21 **For then shall be great tribulation, such as was not since the**

beginning of the world to this time, no, nor ever shall be.

24:22 And except those days (**1335**) should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

John the Revelator told you already about the ANTITYPICAL time of trouble and it came in

three enormous waves of woe

> 8:13 And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, **Woe, woe, woe**, to the inhabiters of the earth by reason of the other voices of the trumpet of the three angels, **which are yet to sound!**

The **FIRST WOE,**

SECOND WOE = **1260** days.

Then it's the **+30 days** that

ends the **1290**

but commences the

THIRD WOE.

And then

And then, there is the **+45 days** to the
blessing of the **1335**
and
in that stretch of events
are the **7 LPs**

Anyone sensing the Apocalypse,
is just around the corner?

What does it all imply?

A victory for Japhet?

Doesn't seem to be the case that
at the 1290 end point
betrayal and then
there is **Psalm 83.**

Then you have the guys of **Revelation 3:9**

And what happens there?

What rabi would ever wish to repeat Caiaphas?

Nevertheless, the adjure of the Japhet clan
Goes full awry as noted in Isaiah 2
and they apply
the 7N in cahoots with the Friday guys.
And the MWFP takes care of business in the
Sweetland of the Second B.

THEN if you wish to take Rabbi's current prophetic

initiative according to Tovia
about the Dome abominations and the
restoration of the 3T according to Isaiah 2

there is the issue of who controls
the **Temple of the**
Mind.

Like as Gd said the Forehead and right hand

Of Rev 13 ?

Right?

Anyone still stumbling the importance of Book of Daniel with Revelation 13:8-9 now?
