

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Tovia Singer

Defies the Heritage of Jacob

Any discussion concerning the **heritage of Jacob** must include the **resolution** of **the sin problem, in sinful flesh.**

This critical detail, pinpoints the very important conclusion why Tovia's "Millennium Temple" theology is fallacy and fully **incongruent** with **Ezekiel 9**,

And, any incongruence means there is a serious theological problem in the denial of the **heritage of Jacob**

But also because the millennium temple was in fact, a **conditional prophecy** whose substance resides in the

Conditional nature of the **blessings** and **curses** of DEUTERONOMY 28.

EZEKIEL 9 proves the **70 WEEKS**

And confirms in the process

Deuteronomy 28

Ezekiel 9 in fact settles forever Jesus' declaration
"your House is left unto you desolate." **Matt 23:38**

HWM conclusion in Matt 23:38 was the signal of the
Terminus of the **70 weeks**
of **Daniel 9**

In other words, all the aspirations for the
millennial temple - are now

a "**Man inspired**" operation,
And confirmed
by **Isaiah 2:22**

“Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?

You will begin to see why Isaiah, under Divine Inspiration,
Draws the ultimate conclusion of the 1290 days of Matt 24:15.

MILLENIUM TEMPLE comparative analysis

= 3 T ENTERPRISE

= first portion of **Isaiah 2**

= **7 N = L1**

Whereas,

EZEKIEL 9,

PROVES a complex

Divine Mandate in its association with the

LAST PORTION of Isaiah 2

And it was **Isaiah** who said the

the **law** of Isa 2:3 = 7 n

and it's an oppressive law

declared from the **3T**

Isaiah said the millennial temple

turns out to be a

dire failure,

2:19 And they shall **go into the holes of the rocks, and into the caves of the earth, for fear of the LORD,**

and for the glory of his majesty, when

he ariseth to shake terribly the earth.

2:20 **In that day** a man shall cast his idols of silver, and his idols of gold, which they made each one for himself to worship, to the moles and to the bats;

2:21 **To go into the clefts
of the ragged rocks,**

for **fear of the LORD**,
and for the glory of his majesty,
when he ariseth to shake terribly the earth.

Complete failure due to

“Dread presence” of the Lord

Now notice this

**This dread is replicated in the Sixth seal
of the Apocalypse.**

And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men,
and every bondman, and **every** free man,
**hid themselves in the dens and
in the rocks of the mountains;**

6:16 And said to the mountains and rocks, **Fall on us**, and **hide us** from the face of him that sitteth on the throne, and **from the wrath of the Lamb**:

6:17 For the **great day of his wrath** is come; (=dread presence) and who shall be able to stand?

Right?

In Ezekiel 9, what is played out, are the **Cursing's** in relation to ancient Israel's probationary time of the **70 weeks**

as told to Daniel
By the Angel
Gabriel.

The "70 weeks" of
Daniel 9
Are what?

"determined"

Determined Upon who ?

thy **people** ,
thy **city**
And **temple**.

Just prior to that event
Jesus stated that their
house was to remain
desolate (Matt 23:38)

But also, they were told they
wouldn't see Him until his coming
At the right hand of power.

That is why Jesus sent his disciples
To Europe since the lost sheep of
the house were located there.

The events of **34AD** (Acts 7,8) were
The "last days" of probationary time for
The House of Israel and Judah as
Corporate theocratic bodies as a nation.

Ezekiel 9 targets
both houses of
Israel and Judah

and the destructive culmination
Was seen in **70 AD** of Judah.

Whereas HWM
Would still bestow the "**birthright**" of
NATIONAL Greatness.

Therefore, neither
Ephraim or **Manasseh**
can be **EDOM**

As CLAIMED by the Rabb Japhets.

There is the testy matter of the Rabb leaders seeing
Jesus at the **right hand of power**
Appears to be at his
second coming.

Yet doesn't appear to be seen at Christ's second coming
yet can be pinpointed
In Daniel chapter 12

And His "**special resurrection**" statement (Mat 16:28)
In reference to what Jesus told the
Religious leaders which
appears to be
That special resurrection
at the time of the second coming

Then, HWM arrives
With all his crowns would have to be
The specific point in time
when the Leaders of the cursed
ancient fig tree
view this specific event which is
Daniel 7:13.

THE TIME OF THAT EVENT HAS TO BE THE SECOND COMING.

YET,

THE OTHER WAY OF VIEWING
THE EVENT IN REFERENCE

to Daniel 7:13
is **Daniel 8:14**

and what does this entail?

The fulfilled reality of Daniel 8:13-14 (after the 1290 years
Transgression of desolation
is what **nullified**

Ezekiel's Millennium Temple
And confirmed what?
a **Conditional prophecy**

For what reason?

Yeh, for the fact the real temple
and its ministration is where ?
is in heaven = Heb 8:2

and that was the prelude to

the **cleansing** of the **Sanctuary in Heaven**

And that Was noted by Daniel,
Where exactly?

How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give **both** the sanctuary and the host to be trodden under foot?

8:14 And he said unto me, Unto two thousand and three hundred days; **then shall the** sanctuary be cleansed.

(Dan 8:14 = 1844),
Right?

Earlier, what nullified the Millenium temple
Was in fact the **70 weeks**
with Matt 23:38

since Jerusalem city

Was PROPHETICALLY
tied into the events of the
end of the 70 weeks and also
the end of the age, the time of the end.

Which is in reference to the **close of probationary**
Time of the nations

And that was all about the
close of the **KAIROI**

Proof? Well, the Probationary
time of the nation's HWM confirmed where?
Yeh, [Luke 21:24](#)

But also involves

the **close of individual probationary** time (Kairoi)
which is short time **after** the Sealing time
of the 144. = Rev 7 And as Ezekiel said
this ministration is in the COURT.
The **kairoi** of course **is and has full bearing with**
Ezekiel 9

In its Antitypical fulfilment by the

illustration of the "times" probationary times
of the nations and churches closing
and ended when Lk 21:24 met its
event fulfilment

When was that?

To be precise it was

July 30, 1980

What occurred?

The Knesset officialised the nation's capital
by virtue of
Basic Law the capital of Israel

Was the City of Jerusalem

→ [here](#)

And ever since **1980**, the official capital of Israel is
the **city** of Jerusalem,
first time since AD 70

The time intervening was the times of the nations and the troddening down
of Jerusalem as HWM said had to occur

And confirms the statement **Jerusalem**
was **no longer trodden down of the**
gentiles (goy)
in **1980**

The **curse** of the close of
Probationary time of the **70 weeks**
was for both houses
of Ancient Israel

and yes Its again Ezekiel 9 since unto them
their house was left to them desolate

Yes, the "**cursed**" **fig tree** Matt 21
= house left desolate

ended the 70 weeks
= AD 34

From that Juncture
HWM said
Jerusalem was to be
trodden till the times of the gentiles (goy)
“until when?”

1980

and this prophecy
was fulfilled **in**
our lifetime.

Facts TS
can NEVER gainsay.

Back to Ezekiel

Ezekiel 9 also holds another

antitypical application with who exactly?

Answer

LAODICEA

Then, there is another thing, the **guys** of Rev 3:9 who eventually realise their greatest of blunders with the 7N and their 3T of Isaiah 2 and it's all too late.

Why?

Ezekiel described important details
And Laodicea, the rabbinate
should know better
alas, (but don't)

Pictured in Ezekiel is the ministration
the **Man with the WRITERS INKHORN**

Who seals the Seal of GOD
in Eternal Righteousness
which is what Rev 7 is all
about anyway.

And Ezekiel 9:4 = the engraving of
(mark a tau) on the forehead, and those sealed
The guys of Rev 14:1-5 are
the **hidden ones** of
[Psalm 83:3](#)

The individuals, **sealed** with the seal of Gd
not the Mark of the B and so effective
was it that they were
atoned and sealed by
virtue of Ezekiel 9
on the Day of
Atonement

BUT ALSO

as EZEKIEL described
that atonement and sealing was
at the altar in the **court**

The rest are **cut down** by the men with sharp weapons and
According to [Psa 83](#) there is Asshur Friday guy
alliance

Ezekiel 9 when encapsulated
explains why TS view of Ezekiel's

"Millennium Temple"

**Was conditional and
Now invalid**

and also

the Final Atonement and sealing by the man
with the Writers inkhorn

Aligns with the latter part
of **Isaiah 2**

So, How can the Rabbe really be exponents
And scholars of the Sanctuary Doctrine
when they accrue a pile of
basic blunders concerning
the Sanctuary Services
on the DoA?

Ezekiel tells you why.

Why were the Rabb not bothered to notice
The Man in Linen
Was as DAVOD's Lord
in **Psalms 110** ?

Who was to be of the **Order of Melchizedek**

And Melchizedek visited who?
Abraham.

**110:4 The LORD hath sworn, and will not repent,
Thou [art] a priest for ever after
the order of Melchizedek.**

This fact is ignored and remains a terrible theological blunder and proves the **heritage of Jacob** are defied
by Rabby J

What then is left?
Those who **deny** the **Heritage of Jacob**?

Answer
Yes, and there is more

To experience the
“dread presence of the Lord”

Isaiah guaranteed that
takes place and full
destruction occurs.

“Hide me from the rocks from the dread presence”

Right?

That means there is a point in prophetic time where the probationary time of everyone closes after Luke 21:24
The generation that will witness the Second Coming
and there is then, **absolutely**
no turning back.

Right?

TS has to face the hard facts

Daniel and Ezekiel

and the Latter portion
of **Isaiah 2**

does not favor

A “millennium Temple”

on earth

at all

but reveals the

Destruction of the 3 T enterprise.

And over what issue?

The First angels warning

and that warning is

Super-focused on the Law of Two

And not the $L1 = 7 N$

This is exactly what Isaiah said

The **law** going forth from

the city of Jerusalem

= Isa 2:3 = $L1 = 7 n$

the latter portion of Isaiah 2

= events of Har Moed

= Armageddon

A **time of trouble such as never was** = Daniel 12:1 = Matt 24:21

Paul confirms the importance of the matter
of the true **heritage of Jacob**
in the end scenario
and stated

For verily not to angels doth he give help, but he giveth **help** to the **seed of Abraham**.

¹⁷ Wherefore it behooved him in all things to be made like unto his brethren, that he might become a **merciful and faithful high priest**

(after the order of Melchizedek = Psa 110)

→ [Here](#)

in things **pertaining** to God,
to make propitiation for the sins of the people.
(The sin problem in sinful flesh)

¹⁸ ^[a]For ^[r]in that he himself hath suffered being tempted, he is able to succor them that are tempted.

Paul explained grafting back to the **Olive Tree rootstock**
would reestablish
the **Heritage of Jacob**
And was not possible
by **unbelief**.

Unbelief meant the birthright
Was what?
Lost.

**The broken branches of
the Heritage of Jacob**
regrafted in Romans 11
and **only by belief**
Conclusion

The **cleansing** in **heaven sanctuary** was for the heavenly principalities the
Household of
the High priest = Melchizedek
and the principalities and
powers of Heaven

but not for fallen angels

Satan was **cast down** from
the **Domain of the Divine.**

→ [Here](#)

Resolving the sin problem

Ezek 9 = the ministration of the Seal of Gd
by Man with writers inkhorn
= Christ who Paul said was Incarnate

after the **Order of Melchizedek**

and Leviticus explained the three-phase DoA ministration

1. MHP
2. HP then
3. the Court

**You will notice Ezekiel 9 is the cleansing
of the**

altar of the COURT

This is significant detail and not one to pass by idly
Why? You are dealing now with
the last ministration of the
Final Atonement.

This is sanctuary terminology of resolving the sin problem
Turns out to be completely misunderstood
by Rabbi J and also Laodicea

**and yet, the intended heritage of Jacob
can be fully understood from
the Book of Daniel.**

Right?

God set out for 'Rabbi Japhet and all men
the resolution
of the sin problem.

Something, they should be familiar with,
but not.

This you will find brings all the issues of Isaiah 2 together.

Acknowledging feasts replete with
Gracious Sentiments,

Yet without Christ

Our Great High Priest after the Order of Melchizedek

Are nothing.

Can the sin problem

Be resolved in the golden age?

Answer is **no**

Why?

Due last portion of **Isaiah 2** already discussed

The Day of Atonement

exists in **Ezekiel 9**
exists in **Dan 8:13-14**
and **Leviticus 4, 16**

Rabb Japhets suffice a recognition
of DoA, as the all-importance of resolving sin problem

weakness of the flesh = keep on sinning but nevertheless
feeling absolving transgression
and standing cleansed on the "DoA"

yet how is cleansing without the Sent Lord of Psa 110
Christ who is the Sent Rod? Who is our Great High Priest after the Order of
Melchizedek?

Answer - Impossible.

Perchance, they say, there is
a combo of the various feasts all being
part and parcel of the dedication
of their devotion to Gd

Perchance, they will say
That's obedience to the **mitsvahs** is
what satisfies Gd for obedience
to the moral law

and therefore they conclude
it's the resolution of the sin problem
But the sin problem
just doesn't go away

Right?

So what did HWM really mean by

“Whited sepulchres” Matt 23:27

just prior to your house

is left unto you

desolate?

Anyone now seeing why Ezekiel 9

Is critical to establishing the **heritage of Jacob**

In all its phases and has transcends its Divine status

With the last ministration in the Court ?

Our generation?

Right?

Rabbi Japhet steadfast refuse to believe Isaiah

there is no “millennial temple”

Yes there is a 3T

it follows their high priest

would by virtue

minister their understanding of the DoA

at the 3T,

but the reality of sin,

in sinful flesh **still exists**

like gravity defies balance

Like works = mitzvahs

are self-Righteousness

which means the sin problem in sinful flesh
remains unresolved

But I see another **law** in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members.

7:24 **O wretched man that I am!**

**who shall deliver me from the
body of this death?**

7:25 **I thank God through Jesus Christ our Lord.** So then with the mind I myself serve the law of God;
but with the flesh the law of sin.

Cleansed from all unrighteousness ?

Psa 51

A Psalm of David, when Nathan the prophet came unto him, after he had gone in to Bathsheba. Have mercy upon me, O God, according to thy lovingkindness: according unto the multitude of thy tender mercies blot out my transgressions.

51:2 **Wash me** thoroughly from mine iniquity,
and cleanse me from my sin.

51:3 For I acknowledge my transgressions:
and my sin [is] ever before me.

“Ever before me.”

So from the viewpoint of **Eternal Righteousness**

Ask yourself

Is resolving the sin problem
resolved by an emphasis
with character perfection ?

The Bible describes CP as twofold

1. **no guile** (individual)
2. **lake fire** (unrepentant individual and corpus)

Is the last ministration of Ezekiel 9
resolving the sin problem for
the **Heritage of Jacob**

(promised long ago)

To be understood
today

is it 1) no guile
or 2) the lake

or both ?

For **Laodicea** no guile means its **Character Perfection**

Monkey Wrench

The big monkey wrench however
is the ominous **law** of **Isaiah 2:3**

That law in its modern parlance
Is 7 n
And decreed by the 2thes2 guy
from the **city**

and you can see it in **no way**

satisfies Psa 51 or Ezekiel 9

does nothing in resolving the sin problem
on Yom Kippur the DoA

The law of Isa 2:3
Is not verifiable in Leviticus. Period.

The rankle of a '**law**' **Isaiah 2:3**
the 7 N is the ultimate mitsvah
of moral behaviour about
worship

Worship what?

the law of one and that
is not worshipping HWM of the
Law of Two

What is the theological impossibility

for Rabb Japhet?
and what is that ?

The L1 cannot co-exist
as a theological Mechanism
resolving the sin problem
with **Ezekiel 9**

Impossible

The L1 has no Mediator

There is then **no cleansing** by our
Great High Priest

There is No seal of Gd
And no need for the Order of Melchizedek of
Psalm 110 to exist

And what remains is what?

Yes the **curses** of
Deut 28 = Ezekiel 9 anyway

And mind you includes **no atonement** for **Laodicea** -

Isaiah 2 is saying that what remains unresolved is the
continuation of the sin problem
in sinful flesh

and

what makes this true
is the need of a law

the **3T issuing authority**
and that law is inculcated with
the "peace order" of
Dan 8:25

The sin problem prevails

There is the capital punish of
the Rev 20:4 guys
and
It is all completed in the
style of **Rev 13:15-18**

meaning what?

the sin problem still exists

Right?

so again –

what is the Divinely Mandated
evidence that demolishes the **7N**
law from any association
with the DoA?

Well you just read it,
the **Law of Two** and the First Angels warning
and coupled with this is Ezekiel 9s
Divine Mandate of God

in respect to
the **cleansing of sin** and this brings everyone
back to what?

Well, it all harks back to

Daniel 8:14
= Heb 8:1-5 = 9:23

And its **three-phase** ministration
Ending in the COURT =
Lev 16 **and** Ezekiel 9

Paul has been
denied all credibility
about the sin problem
and the Final atonement

let alone how it is to be resolved
in connection to **Ezekiel 9.**
Notwithstanding the import of
Rev 7.

Paul set it out in Heb 8,9.

Right?

Was the sin problem faced by Moses?
Yes.

The Sanctuary Service in the tent in the wilderness was the ministration of the
cleansing; the **daily** and the **yearly**

sacrificial offerings and still
the sin problem
remained.

Oh Boy **HWM in Matt 23** laid the sin problem
in sinful flesh
right on the line!

23:28

**Even so ye also outwardly
appear righteous** unto men,
but within ye are **full** of
hypocrisy and iniquity.

23:29 **Woe unto you**, scribes and Pharisees, hypocrites! because
ye build the tombs of the prophets, and garnish the sepulchres of the
righteous,

23:30 And say, If we had been in the days of our fathers, we would
not have been partakers with them in the blood of the prophets.

23:31 Wherefore ye be witnesses unto yourselves, that ye are the
children of them which **killed the prophets.**

23:32 Fill ye up then the measure
of **your fathers.**

23:33

[Ye] serpents, [ye] generation of vipers,
how can ye escape
the damnation of hell?

23:34 Wherefore, behold, **I send** unto you prophets, and wise men, and scribes: and [some] of them ye shall kill and crucify; and [some] of them shall ye scourge in your synagogues, and persecute [them] from city to city:

23:35 That upon you may come all the righteous blood shed upon the earth,

from the blood of righteous **Abel**
unto the blood of **Zacharias** son of Barachias,

whom **ye slew**
between the temple
and the altar.

23:36
Verily I say unto you,
All these things shall come **upon this generation.**

23:37 **O Jerusalem, Jerusalem**, [thou] that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under [her] wings, and ye would not!

23:38 **Behold, your house**
is left unto you desolate.

Rabby Japhet must face the reality of
the sin problem in sinful flesh
with Ezekiel 9 there is no way around
the mess they are in

What is the lesson of Moses?
Resolving the sin problem,

Yet Rab Japhet overlook much evidence
Concerning the **Heritage of Jacob**
That heritage is not foundational
in any way
By the law of Isaiah 2 = **7 N**

God said sacrifices were not to be the answer
or to continue in sin but a change of heart by faith.

The sin problem remains you read that from Matt 23

Laodicea have these days
developed the opinion
It goes like this
the cleansing of the DOA
is about ongoing repentance
of every remembered sin;

is then by the power of Gd
to be an overcomer which is true

and this is all improved
upon by the emphasis to
character perfection; as the
“relationship with Jesus”

Good enough,
but is it enough for the time of trouble?

The First angel tells you it's something else.

Eternal Righteousness in relation to **Rev 13:8**
Means the entire point of the DoA
That no amount of **CP** can suffice.

Laodicea has the same Ezekiel 9
Problem, of Rabb Japhet

OK,

What cannot be dismissed is the fact Rab J
all know **the wrath of Gd** exists from
Pharoah, the golden calf to the loss of the first temple
Exile to Babylon and to double down there
Is the loss of the second temple,

When **Jerusalem city** was **destroyed**
only to be
trodden down of the gentiles (goy)
till probationary times of the nations
and yeh, the kairoi
closed in **1980**

Ezekiel 9 and Millennium Temple

The whole idea is quite brief and concise.

Ezekiel 9 is very vastly meaningful
and different to common ideas
and represents
Blood Atonement for planetary sin
Forgiveness
and cleansing

prior to
Adam's fall.

Ezekiel 9 represents that
Rejection.

The promise of a **millennium temple** (3T) of **Isaiah 2**
Was a **conditional**
representation
of what Might have been.
The last portion of
Isaiah 2

represents the **final and**
disastrous conclusion
of Ezekiel 9.

It matches what Jesus
Stated in relation to his question

Regarding what will the owner of the
Vineyard do.

Isaiah 2 of course matches exactly what other Scriptures

- **Isaiah 24** and
- **Revelation 6**

When the sky roles up like a scroll.

BOTH TEXTS ALIGN
with the **last portion**
of **Isaiah 2**.

This evidence brings down TS
on live You-tube.

Put it in simple terms
7N is revealed
in Isaiah 2

Where exactly?

Isa 2.3

And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths:

for out of Zion shall go forth the law,

**and the word of the LORD
from Jerusalem.**

So, it cannot be denied what **Isaiah** has prophesied.
brings the attention to the gatherings in Jerusalem city
which will begin this NOVEMBER 2026

with the inaugural
first international
congress of the
7 n

That culminates in the
Latter passages of Isaiah 2.

Elsewise, Isaiah is a liar.

HWM said the Fig tree was branded as self-righteous
In Eden when Christ instructed Adam
And Eve to **remove** the fig leaves and
He placed upon them the
animal skins.

Later Jesus **cursed the fig** as symbolic
Of the Nation of Israel. Matt 23:38

Paul clearly addressed the matter of **Israel**
trying to acquire favour with HWM
by Works of Righteousness
but never accomplish that

but the gentiles did by
Way of RxF.

As a result came the **spewing** of the **70 weeks**
= the **490 years**
Of **34AD** in Acts 8

when Jesus rescinded his order given to his
Disciples of not preaching to the gentiles
or to the Samaritans.

The Holy Spirit was poured out beginning
With Samaria and then the gentiles
Cornelius etc.

This took place when
The **great persecution** broke out in
Jerusalem.

The Heritage of Jacob

Involves **Isaiah 53** which according
To the parable of the Vineyard

the tenants of the vineyard
Used "**Replacement theology**"
and made themselves the
suffering servant.

That cannot be denied.

What needs to be seen in light

Of the **heritage of Jacob**

are the final

3 ministration agendas of the
Day of Atonement

MHP includes the Household of the
HIGH PRIEST = 11Q13.

WHICH was what?

Replaced by Shem.

Meaning the problem of sin began in Heaven.

And also, according to them
the resolution of the sin problem
Resides in self-Righteousness
By way of a
long list of mitsvahs

Whereas, **2 Timothy 1:9**
states otherwise.

The definitive take down of the TS theology
Is the saturated by very difficult
evidence from **Isaiah 2**

which consists of
3 sections

1. The nations of planet earth converging in **Jerusalem city** in the **latter days** with that locality, being the highest hill
2. HWM protesting about the **heritage of Jacob** being set aside.
3. This **heritage** can only be attributed to the New Covenant, a better home, heavenly Canaan a better city "**Jerusalem above which is the mother of us all**" since the protest of God involves the matter of importing of foreign influences which we now know as [Tikkun Olam](#) and its Magan aspects.

[Robert Sepher](#) clearly elaborates on the Magan aspect of the future **Jerusalem city** this is clearly addressed by **Jesus in Matthew 24**

Since **false prophets** doing great signs and wonders.
= Magan = very close to maga routine in the **Sweet Land**.

Isaiah and 'Striking hands'

Isa 2:6 and **striking the hand with foreigners**

= Zecharia 8:23

and

Revelation 17:12-16

The 10/10 kings of Rev 17 = Isaiah 2:6
striking the hand with foreigners

and in the era of the 'peace accords'
these "10 men" = ten kings are imminent and they

forged a **mutual theocratic union**
by recognition with the L1

And Zechariah said those guys
say to the 8th king

for we know Gd is with you

In this union
what is forgotten exactly?

Yeh, the **heritage of Jacob**

and they confirm
what Isaiah said

they are replenished from soothsayers of the east
and that means an
apotheosis must exist

The apotheosis is the elevation of the **8th king**
with 7 N law to a divine status equivalent to the 10C

Right?

But **without** Jesus.

Right?

And that Leaves what?

The complete
absence of the **Heritage of Jacob**

Notice Isaiah speaking about
defying the heritage of Jacob

[Isaiah 2:6](#)

For **you** have **rejected** your people,
the **house of Jacob**,

because they are full of things from the **east**
and of fortune-tellers like the Philistines,

and they strike hands with
the **children of foreigners.**

The Day of the Lord

Everything that exalts itself
will be laid low by the
dread majesty of
the Lord.

Isaiah 8:13

Sanctify the LORD of hosts himself;
and [let] him [be] **your fear**,
and [let] him [be] **your dread**.

Isaiah 2 is fully established with **Revelation 6**

Men hiding in caves and clefts of rock.

Caiaphas

Caiaphas deeply incensed
by Jesus quoting **Daniel 7:13**,
declared what?

“Blasphemy”

Caiaphas accused **Jesus**
breaking the **Law of One**
=7N (#1)

And, there is another scenario

where Rabbi J altered the
understanding

of 11Q13.

Summary of the historical reckoning

1. **Fig leaves** = mitzvah from Genesis
2. **Job** reveals mitzvah **removed** and **replaced** by Eternal Righteousness
3. **Esau** lost the birthright to Jacob
4. **Edom** faked it when given authority over Judea by Rome = Herod
5. The return from the captivity arrived
6. With T book of Mitsvah & Spiritualism
7. Under the table replenishment was from **The East**.
8. Another replenish came from **Antiochus E** whose name can be traced to an Epiphany concept .
9. The contribution of **Philo** and his **1 g** while not openly accepted, prepared the way for Rabbinic teachings of the **denial of the Law of 2**.
10. The **law of 2** began Making inroads into the masses by Way of the **Melchizedek** and **Michael Scrolls**.
11. The Legacy left by these two 'angelic figures' is that it was believed by some that they were one and the same.
12. **Michael** being **Daniel's Prince** which Is an indicator that he was the **Counselor** or **advocate** of ancient Israel as stated in **Isaiah 9;6-7** as well as **Wonderful** or **Palmoni**

13. why did an **occult source** once say on a website that Rabbinic J removed the concept of Deity from Document 11q13 to apply it to Shem who had a father and mother?

14. If 11q13 is Correct (which it is), and confirms the fact that **Melchizedek** is an **Everlasting Father** confirming TWO PROPHECIES being **a)** Psalm 110; 2, 4 and **b)** Isaiah 9 ;6-7.

Those historical facts reveal TS creates fictional interpretations of these prophecies

such as **Daniel 7;13**
and those "fictional's"
do what?

Defies the
heritage of Jacob!

As presented in **Genesis 1:26**
and
Genesis 11

"Let us come down to see"

With Daniel 7:13

TS believes that the
One coming on the clouds
is the servant nation,

rather, than the true MESSIAH
as an Anthropomorphic Being
seen in Ezekiel 1

Conclusion

The sin problem continues courtesy of the
LAW of Isaiah 2:3
and is
not resolved by way of
the law of Isaiah 2:3
which is the $L1 = 7N$
and its issued internationally from where?

Yes, Jerusalem city.

Right?

Isaiah said the **city** = **3T** was
brought down by the dread Presence of HWM.

7N is the culprit
As well as Spiritualism of idolatry = what?

Rejection of what?

The **rejection** of **the heritage of Jacob.**

**Then you have this contemporary mystery
as well and for what porpoise ?**

- [here](#) and [here](#)

CONCLUSION

If, 3T Enterprise was to be successful,

why then, is its destruction
recorded by Isaiah 2

at the

dread presence of the Lord ?

TS cannot answer this.
