Here

6000 years have passed.

Jesus Christ has come from outer space.

The dead have risen, and we who are alive have been changed in an instant, in the blinking of an eye.

[Instrumental Pause] [Verse 1]

The enemies of the Lord have been slain by the brightness of His coming. We now fly off to the throne of the father in the third heaven, to behold the face of our Heavenly Father.

[Atmospheric Interlude]

Back on Earth, the devil and his angels were cast into the bottomless pit. The Beast and the False Prophet were thrown into the Lake of Fire. Satan is now **confined for one thousand years.**

[Progressive Build] [Verse 2]

After the Millennium, the third coming of Jesus Christ takes place, accompanied by His saints, as well as His space city, the New Jerusalem.

The wicked are raised, and Satan is freed from his prison.

He marches over the surface of the Earth and gives the command for the **attack** upon the **camp of the saints.**

[Heavy Instrumental Section]

Fire descends upon the wicked, and Satan, along with his angels, are cast into the Lake of Fire,

where the Beast and the False Prophet

have been for **one thousand years.**

[Final Narration]

Many then rise from the land and oceans, and whoever's name was not written in the Book of Life, will perish.

The sin problem has come to an end
