

CATHOLIC SOCIAL ORDERS

1 & 2

Daniel 11:36 prophetically speaking, identifies the **Roman Emperor**. The reason as to why we know this is on account of the previous verses starting from **verse 31.**

31 And forces shall stand on his part, and they shall profane the sanctuary, even the fortress, and shall take away the continual *burnt-offering*, and they **shall set up** the abomination that maketh desolate.

32 And such as do wickedly against the covenant shall he [b]pervert by flatteries; but the people that know their God shall be strong, and do *exploits*.

The individual who fulfilled this part of scripture was **Antiochus Epiphanes** the despotic Syrian Greek King, that heavily Hellenised the Jews back in **168-167 BC,**

when he brought military forces into Jerusalem
and desecrated the Temple and sacrificed a pig
on the Altar of the Lord

and set up a statue of Jupiter Olympus

within the precincts of the Temple. **Kislev 168 BC** is known as the date of the "Abomination desolation".

Many in Laodicea don't want to recognize this event but one of the interesting facts regarding its fulfillment was brought to light by SDA professor Desmond Ford who correctly identified this event which is clearly **Daniel 11:31**, since 'ground forces' were physically deployed in Jerusalem.

There is no way of spiritualizing away, this prophecy. It was and continues to be another historical fact, that Laodicea hasn't dealt with.

The reason for its importance is that it helps to identify the timeline of the emergence of the Roman Emperors starting with **Daniel 11:36.** The Roman Emperors were worshiped as gods. **Verse 36** is revealing the Cult of Emperor worship.

Rather than explaining the First Catholic social order under Emperor Constantine, **Daniel 11:38-39** reveals a **time period** or **transition** from the cult of the Roman Emperor who begins to **worship the god of forces and fortresses**.

Recent historical evidence has revealed that the specific god which was worshiped by the Roman military, was Jupiter Doliche, a god whose origin came from Turkey

and later was exalted to the status of **Jupiter**.

Yet, hidden behind this term "**fortresses and forces**" what is revealed is the god of the Roman military establishment, as well as the *Forces of nature*

which we can call by its

real name. "**Pantheism**".

What the Bible appears to be revealing was **not** so much a transition from the **First social order** to **the second,** but a transitional shift from the "energetic forces" of the Universe, over to **another god** in high religious office

both literally, as well as spiritually.

We know for a fact that in **533AD** Emperor **Justinian** declared the Bishop of Rome to head all churches in both Eastern and Western Europe.

Yet this was by **his decree** and **not** the church itself.

But in relation to the exaltation of the Bishop of Rome,

there was the construction and the

edification of the **Hagia Sophia**.

It was built from **532AD - 537AD.**

It was meant to rival Solomon's Temple, and was **built with Gold, Silver and precious stones and things.**

It appears that this construction is revealed from

versus 38-39,

38 But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.

39 Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.

since Justinian

was in fact the **first King of Revelation 17:10**

and effective from the date **of 554AD**

by way of the decree for the Imperial Restoration of Eastern and Western Europe = **Royal Pragmatic Sanction** of **554AD.**

The Church, was dedicated to the "Logos", which **was said to be** the second person of the "Trinity".

So, this **had to be in relation to** the concept

of the "**Eternal Son"**.

It is another 'energetic principle' that derived its origin from the **Greek Philosophical** system

of **Neo Platonism,**

along with its concept of an **emanation Logos,**
which runs contrary to the Logos of John 1:1
which was not based on emanation from
a previous source,

which in Spiritualism, and therefore
would be the "**Universe**,"

but, in its
"Catholic Anthropomorphic" setting
it would be the
Father and the Son.

Whereas, it's the **Spiritualism** part, that ties in with
the continuity of the preceding energetic principle
which was defined as the *forces of nature* in
relation to,

to guess who?

Yes, Jupiter Doliche.

Scripture is informing us that this **energetic principle** would continue to the very end,

and lead us into the

Luciferian era

of Rev 13

Revelation 13:

3 And *I saw* one of his heads as though it had been [b]smitten unto death; and his death-stroke was healed: and the whole earth wondered after the beast; 4 and they [c]worshipped the dragon, because he gave his authority unto the beast; and they [d]worshipped the beast, saying, Who is like unto the beast? **and who is able to war with him?**

5 and there was given to him a mouth speaking great things and blasphemies; and there was given to him authority [e]to continue forty and two months.

6 And he opened his mouth for blasphemies against God, to blaspheme his name, and his tabernacle, *even* them that [f]dwell in the heaven.

7 [g]And it was given unto him to make war with the saints, and to overcome them: and there was given to him authority over every tribe and people and tongue and nation. 8 And all that dwell on the earth shall [h]worship him, *every one* whose name hath not

been [i]written from the foundation of the world in the book of life of the Lamb that hath been slain.

Daniel 11:38-39 reveals **the second social order** which is linked to **Revelation 17:10.**

The **gold and precious stones** of **Daniel 11:38-39** had to be the building of the Hagia Sophia which was supposed to rival Solomon's Temple

The Bible **is more concerned about the second social order,** rather than the first.

The first social order is mentioned at the end of the Diocletian persecutions in reference to the **Smyrna Remnant**

and its 10 days of persecution = 10 years of Diocletian persecution

The **Beast that was,** entered into the First social order of what was later to become the RCC

after the ending of the **Diocletian** persecutions which began in **303AD** and ended in **313 AD** with

Constantine's Edict of Milan.

THE FIRST SOCIAL ORDER

The First Social Order was what caused the **Beast** to become **dormant** as in the "**is not**" period.

The so-called "Christian" phase.

We have currently been living within the parameters of the **SECOND SOCIAL ORDER** from

554 AD up to 2026

and we are currently awaiting the final revival

of the **last Scarlet King** of Revelation 17:10,

who is historically referred to as the Great Monarch who will be the **final Holy Roman Emperor**

just prior to the arrival of the **8th King** or Beast of Revelation 17:11.

Scripture states that the **Beast is an 8th King and of the 7.**

What is interesting about this matter is that upon his arrival **the Beast will put an end to the second social order of the Catholic church** – see Revelation 17:12-16

and that detail then **ushers**

in the Luciferian era.

Scripture informs us in Revelation 13 that once the 7th Holy Roman Emperor is down, yes by the **fatal wound**,

he is to be **succeeded by this 8th King**

whom Daniel 8:23-24

refers to as a **King of fierce countenance**,

thus echoing what **Revelation 13** mentions about him as being **the "Beast".**

A beast is a fierce wild animal (a hyper therion)

whose nature is predatory.

Second Social order:

Republicanism

https://en.wikipedia.org/wiki/Concordat_of_1801

With a brief respite in **1814** which entailed the French Revolution, yet the RC church, **never ceased** to function during that turbulent period of time.

Just prior to 1814,

Napoleon had the

Pope arrested in 1798

but this cannot be misconstrued as being the fatal wound of the Beast of Revelation 13,

which in scripture is none other than the **Roman political system** and its continuance in the form of

10 successive Kings,

commencing as the "Transition age" was coming **to its end**

with the **last 3 Arian Kings** being

Witigis, Totila, and Teia.

And their end was **553AD.**

See the Ostrogothic kings list here

Not 538.

Right?

It was from the time of Odoacer and the Roman Foederati better known as the Federation of conscripted mercenaries, that brought down the Roman Empire in the West in **476 AD,**

on account of the fact that they were not being accommodated with sufficient financial goods and services for their families.

This brought **to an end** the political control that the church had in the West **prior to 476AD.**

We refer to this as

THE FIRST SOCIAL ORDER OF THE ROMAN CHURCH

in Western Europe.

Odoacer and his forces marched into Rome and took down the Last Roman Emperor, "Romulus Agustus" a mere boy-King. He then took over the Empire as a legitimate ruler in the West who was despised in the East.

Later the **Emperor Zeno** from the East commissioned **Theodoric the Great** to assassinate **Odoacer** after having invited him to a Banquet.

It was the **Arian** migration into Western Europe that caused massive change in the populations of Europe **up to this day**

and just as migration was a critical factor in reference to the downfall of Rome in the West it wasn't the only reason for the split.

There was **also a religious controversy**

which caused the **loss of power of the Western Catholic church** in the form of the **Arian faith,**

namely speaking these **Barbarian tribes**

had accepted the Belief that Christ

was **created** by the Father

and this doctrine known as **Arianism**

went contrary to the Orthodox Trinitarian doctrine.

This was essentially the fundamental reason why the Roman Empire in the East went to war against the West since the split in religious concepts **Trinitarian verses Arianism** is what **brought about the end** of the

First social order of the church in Western Europe.

In reality

both doctrines were the flipside of each other since the Church

Creed stipulates that

"Christ was begotten not Created prior to the ages."

So, this was basically an "emanation" from the Father as **taught in Catholic doctrine**

whereas the **Arian** form
stated that at one point in time Christ didn't exist
and was the first creation of God.

The **Eternal Son doctrine** of the **Trinity** establishes

the doctrine of the second personage of the godhead and as previously stated,

this is **Classic Neo Platonism** which = Spiritualism= energetic principle of emanationism whereas the **Arian form** is another form of Spiritualism,

as in instant Creation.

That is why both doctrines

are the flipside of each other.

Conclusion 1

It is with this concept of "**emanationism"** where man is headed into the 21st century,

since **Luciferianism presents the human potential movement** which is derived from the

emanated sons of the Universe.

The Second Social Order

It is this second social order which lead to **Charlemagne's** establishment of Feudalism around **774AD** after he defeated the Lombards.

The **Strong fortresses** were the Fiefdoms of the middle ages small city-state enclaves with their own social structure and strict hierarchical system.

39 And he shall deal with the strongest fortresses by the help of a foreign god: [b]whosoever acknowledgeth *him* [c]he will increase with glory; and he

shall cause them to rule over many, **and shall divide the land** for a price.

Omega of Deadly heresy:

The "foreign god" of Daniel 11:38-39 in its **final setting** had to be the **Trinity doctrine** (=FB 2,4) since this doctrine **reinterprets** John 1:1 from

a Neo Platonist perspective

as an energetic principle which was given Anthropomorphic designations by the early Catholic fathers.

The **Universe** was reinterpreted as the **Father** and the **energetic emanation** which created the material world

was given the designation of the **Son**

as the begotten Logos.

All this running contrary to John 1:1 and Romans 1:3 and Romans 1:4 and its true Anthropomorphic setting as seen in Genesis 1:26.

Conclusion 2

The final events just prior to the entrance into the Luciferian age **after** the end of the second social order of the PPH

takes place with these events which will involve another group of **monotheists** who worship in another form of Spiritualism

which involves a rock= a black Cube

as well as the orbit of the people

around Saturn.

40 And at the **time of the end** shall the **king of the south** [d]contend with him;

and the **king of the north** shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass through.

41 He shall enter also **into the glorious land**, and many *countries*shall be overthrown; but these shall be delivered out of his hand: **Edom**, and **Moab**, and the chief of the children of **Ammon**.

42 He shall stretch forth his hand also upon the countries; and the land of Egypt (Mizraim) **shall not escape**.

43 **But he shall have power over** the treasures of **gold** and of **silver**, and over all the precious things

of Egypt;

and the Libyans and the Ethiopians shall be at his steps.

44 But tidings out of the east and out of the north shall trouble him; and he shall go forth with great fury to destroy and [e]utterly to sweep away many.

45 And he shall plant the tents of his palace [f]**between the sea and the glorious holy mountain; yet he shall come to his end, and none shall help him.**

Conclusion 3

The Holy Roman Emperor comes to his end with his entrance **into** Jerusalem.

Daniel said he perishes

between the sea and the glorious holy mountain; yet he shall come to his end, and none shall help him. =

3 And *I saw* one of his heads as though it had been [b]smitten unto death; and his death-stroke was healed: and the whole earth wondered after the beast;

Luciferian age: (Social Order)

4 **and they [c]worshipped the dragon**, because he gave his authority unto the beast; and they [d]worshipped the beast, saying, Who is like unto the beast? **and who is able to war with him?**
