King of the South and the North

5 agendas music

Here

At the time of the end the King of the South shall push against the King of the North. The King of the North will respond with a whirlwind force of chariots as well as many ships horses.

He will enter the countries and overwhelm them and pass through. He shall enter into the glorious land and many countries shall be overthrown but three will escape from his hand.

Edom, Moab and the people of Ammon. He shall stretch out his hand and the land of Mizraim shall not escape.

He shall loot the land of Mizraim its gold and treasures of silver and two other nations shall follow him.

Yet when he will hear of news from the North and from the East he will be worried. He shall then go out with great fury to destroy and annihilate many.

He shall plant his palatial tents between the seas and glorious holy mountain and come to his end.
